

## GROW NEW IDEAS

It doesn't matter where you live, what you want to be when you grow up, or your level of experience. 4-H is a club of kids and their families who take part in fun, practical projects from woodworking to rocketry, and everything in between.

Join 4-H and explore exciting ways to grow, together.

## What is 4-H?

We teach kids from all backgrounds how to become well-rounded individuals. We do that by teaching the four H's:

**Head** — Make sound decisions, stick with your goals and develop practical skills.

**Heart** — Act with integrity and accountability.

**Hands** — Put the needs of the community first and commit to serving others.

**Health** — Actively take care of your mind and body.

## What will I do?

4-H centers around projects. Members choose from a wide range of individual projects based on their interests and community availability. Through these projects, members set goals, learn the necessary skills, and exhibit or demonstrate their skills at events like county fairs, speaking contests and competitions.

## What can I do?

If you're interested in something, it can probably become a project. Here's a sampling:

Clothing and textiles  
Pet care and training  
Electricity  
Food and nutrition  
Geology  
Horses  
Leadership  
Photography

Reading  
Robotics, rocketry  
and GPS  
Small engines  
Visual arts and crafts  
Wildlife  
Woodworking

## How can I get involved?

Join a club! 4-H clubs are groups of families and volunteers who generally meet monthly. At meetings, youth members share their projects, plan community service activities and practice running meetings. There are many sub-clubs for individual projects led by adults or older members.

Visit [Kansas4-H.org](http://Kansas4-H.org) for more information or to find a club near you!
