We Need Your Help!

The Extension Office would like help decorating the walls of our office with YOUR hard work! We are requesting 8X10 photographs or various sized artwork that we can hang. Examples could include: a photo of you and your livestock project, your photography project photograph, a canvas painting, sketch, ect.

We would plan to exhibit the display for one year and then return it to the 4-H Member. This would be annual opportunity for 4-Hers work to be displayed in the office.

UPDATE: Our walls are still bare! We only have 2 photographs to display.

The Chisholm Trail Extension District would like to say *thank you* to the many supporters and dedicated volunteers that make our programs successful.

We hope you have a great holiday season!

~Extension Office Staff
