RE: CKFF Wrap-up

Just a quick note to thank you for your participation and assistance at fair this year. We were lucky to have great weather and lots of opportunities for learning and community. Thank you for being part of that!

A few wrap up items:

1. The fair board needs assistance putting showcases and photo displays away this **Wednesday, August 6, starting at 5:30 PM**. Please help as you are able. Many hands make for light work.
2. Exhibits not picked up have been taken to our office, 712 S Buckeye. Please pick them up as soon as possible.
3. If you are 9 years old+ and have an exhibit that qualifies to go to the Kansas State Fair, please complete the [INTENT TO EXHIBIT online form](#) by this **Wednesday, August 6**. Some classes, such as those for the dog show, require an entry fee. Fees need to be paid to Dickinson County 4-H Council. More information about KSF classes may be found [here](#).
4. Volunteers (older teens and adults) are needed to assist in different 4-H departments at the Kansas State

Fair. Follow [this link](#) for more information and to sign-up.

5. Our county-wide fair committee and other volunteers worked to get pictures taken at every CKFF show but we know we missed some. If you have photos of your projects at fair you'd like to share with local media, we have a [Google folder](#) they may be uploaded to. If you add photos, please label them the best you can by changing the file name to who's in the picture and what the award is. The direct link is <https://bit.ly/2025ckffphotos>

My family is taking a short vacation the rest of this week. Please call the office with questions and we will get them answered as soon as possible.

Hope everyone has some time to rest up a bit before seriously taking a look at those project record books (due October 1) and getting ready for a great school year!
