CKFF 4-H Helpers List

The list of 4-H helpers for the CKFF is included with this newsletter. Please check it over carefully. If you did not get signed up and would like to help, please contact our office. We will look to fill spaces in those divisions with less than three helpers first. The superintendents are counting on your assistance at the fair!

No one can use any electrical devices with the 2-prong cord attached to a 3-prong adapter. The device must have a commercial grade 3-prong electrical cord.

Ice Available at CKFF

Bags of ice will be available at the fair. Visit the CKFF office to purchase your bags.

Wood Chips NOT Available at CKFF

All livestock exhibitors are required to provide their own bedding. The fair board will not have wood chips available for sale this year.

CKFF Fair Guide

Your fair guide with CKFF information is included in this mailing. Some reminders:

- * **July 10th** – ALL 4-H/FFA exhibits must be entered online at ckff.fairentry.com
- * 4-H market livestock owner certification and drug withdrawal form **plus** feed and care record for market beef will be submitted with **Livestock Sale Intent to Sell Cards** following livestock shows. Please turn them in **promptly** following shows.
- * All 4-H/FFA market livestock entries will require the exhibitor's YQCA certificate number. Have that number handy when entering.
- * Most entries that are judged via conference judging will ask you to select a judging time. Please track those as you make selections for your family so as not to "double book". If you are not given the option to select judging times, a schedule will be made based on entries.
- * See our District Fairs page for CKFF information: <https://www.chisholmtrail.k-state.edu/fairs/ckff/CKFF.html>

Youth for the Quality Care of Animals *REQUIRED for ALL market livestock exhibitors*****

Youth for the Quality Care of Animals (YQCA) training is required for all 4-H/FFA members exhibiting market livestock - beef, sheep, swine, and meat goats - at the Central Kansas Free Fair and all youth exhibiting livestock at the Kansas State Fair and Kansas Junior Livestock Show. **This training may still be done online and must be completed by the CKFF July 10 entry deadline.** Complete the online request form at <https://bit.ly/registryqca> ASAP to receive an online coupon code and instructions if you have not yet completed this training that is provided free of charge to Dickinson County 4-H members through a grant from ADM Cares.

Decorated Cookie Jar Auction

The following clubs will be making cookies and decorating a cookie jar to be auctioned at the CKFF livestock sale this year: **Holland Sunflowers, Jolly Jayhawkers, Mt. Ayr Go-Getters, and Navarre Boosters.** Proceeds go to the Dickinson County 4-H Council to fund the county-wide program. **Keep in mind that cookies sell best when lots of club members are there to display their jar!**

CKFF Food Sales

Sterl Hall – Saturday, July 27, during foods judging. Proceeds to Dickinson County 4-H Council. Open class food sale – Sterl Hall, Thursday, August 1, 9 AM until all food is sold.

Hints on Exhibiting Horticulture and Floriculture

K-State Research & Extension publications [Exhibiting Fruits and Vegetables](#) and [Preparing Cut Flowers for Exhibit](#) are excellent resources for 4-H members and adults that are planning to exhibit their vegetables or flowers. These publications are often used by judges as they evaluate fair entries and may be found by visiting: <http://www.ksre.ksu.edu/bookstore/>. The University of Illinois Extension has prepared a series of YouTube videos on how to prepare produce for the fair. These videos give step by step instructions on how to select and groom various types of vegetables for exhibit. Available at: <http://www.youtube.com/user/UIExtension>.

CKFF Special Baking – Cobbler

Enter your cobbler made with King Arthur flour in the annual Special Baking Contest from 1:00 to 2:00 p.m., **Saturday, August 3**, at Sterl Hall. Prizes are being sponsored by the King Arthur Flour Company with youth and adult divisions. Complete rules (i.e. must UPC from King Arthur flour!) are listed in the premium guide. Cobbler and ice cream will be served after the judging.

Reminders on Club Banners from Joetta Nagely, CKFF Banner Superintendent

- Colors: light on dark or dark on light.....when standing at a distance, letters or whole words can be lost if there is not a contrast in color.
- Cover several areas of 4-H don't duplicate by saying the same thing twice.
- Balance for the male and female audience make it appealing for both.
- No 3-D..... please check the rules in the fair paper.
- Lettering.....not too small. Must be able to read from a distance.
- Background when using felt, be careful it stretches. Smooth edges look nicer.
- Enter your banner at the Tri-County Fair. Making a banner costs money and one more premium check will help pay for the supplies.
- Club name **may not** be on the front of the banner as part of the design.

**2024 CKFF Theme: Honor the Past, Celebrate the Present, Embrace the Future****Foods and Clothing Labels**

Labels are required in clothing and fiber arts exhibits. Exhibitors can make their own label on a piece of cloth with a permanent or laundry type marker. Labels should be about 3" x 2½" in size and include exhibitor name, class number and county. **The Food Preservation Labels have been updated – be sure you are using the newest labels.** For Foods items, there is a label template available for download at: <http://www.kansas4-h.org/events-activities/fairs/kansas-state-fair/index.html> under "Foods and Nutrition" and "Food Preservation." We have some printed and available at the office.

Food Safety of Frostings and Fillings

Research has been done and resources are available as you make decisions about frostings and fillings to use with fair exhibits. Food safety is essential and not all frostings and fillings are safe to store at room temperature. Information and a calculation worksheet may be found at: <https://www.rrc.k-state.edu/judging/index.html>. For food safety purposes, any entries with frostings and fillings must calculate the amount of sugar in the frosting/filling recipe only. **Calculation must be attached to entry, or the placing will be lowered one ribbon when judged.** Frosting and fillings need to contain more than 65% sugar for safety.

CKFF State Fair Intent to Exhibit Form

Please have the Intent to Exhibit Form for eligible Kansas State Fair exhibits completed by **Wednesday, August 7th**. This online form (QR code) will be available to all eligible participants at the CKFF. It is the exhibitor's responsibility to make sure that this online form is submitted. This form will ensure proper data entry for the Kansas State Fair. Each 4-H participant will receive one free ticket to attend the fair instead of a ribbon premium.

CKFF Livestock Auction

- * We will have rotation of the species. Grand and reserve champions will be sold first.
- * Drinks (tea and water) will be served by 4-H youth. The clubs are on a rotation schedule so that only four clubs each year are needed to serve drinks. Two to three 4-Hers per club are needed.

 2nd shift – 10:30 a.m. to end of sale

Drink Table:

- 1st shift – Solomon Wranglers

Hints for CKFF Beef Exhibitors

- Stall Cards need to be up for each animal by Thursday (you can get them at the weigh-in table by the scales)
- The feed alley is where all of the hay, straw, feed, etc. should go, not behind the cattle
- Blocking chutes should be down after the show and removed from the cattle area
- Keep the stalls clean and the animals clean while in their stalls
- Have your animals tied correctly and use a neck rope
- Water the animals extra when it's very hot
- After feeding your animals, pull the feed pans so they are not getting stepped on
- If you pull your animals out to feed them around the trees, don't walk away – you need to attend to them until they are done and clean up behind them

Remember the goal is a safe and clean area to work in as well as a nice place for fair visitors. The beef superintendents award an individual herdsman award to one person that does an outstanding job during the fair taking care of their animals as well as helping their club try to win the stall award. Please see beef superintendents Roger Forsyth or Greg Acheson with questions.

To help you through this process, please refer to the [Guide to Kansas 4-H Project Recognition](#). Couple of items to make note of:

- Youth may choose to use either record keeping option: a.) the fillable PDF Project report forms or b.) the online ZBooks software

Please keep these tips handy, but remember the **Fair Premium Guide is the official reference.** The Premium Guide is available online at <https://www.chisholmtrail.k-state.edu/fairs/ckff/CKFF.html>. This “Family Fair Guide” is designed to help your family prepare for the fair. Please review it carefully for rule changes, entry deadlines, judging schedules, and other important information.

Best of luck in preparing your fair exhibits! Please feel free to contact our office if you have any questions.

These may be left at the Fair Information Office or the CKFF Office.
The CKFF Board has a grievance policy that must be followed for complaints.

FOOD EXHIBITING TIPS

FREEZING – Freezing baked products before the fair is acceptable. Be sure they are completely thawed before the judging. Use good storage containers; airtight plastic containers are recommended. Thaw baked goods slowly (in the refrigerator) in the container, bag, or wrap in which they are frozen. This minimizes moisture loss.

BAKING TIPS

- Practice making baked entries several times before the final preparation of your fair entry.
- Start early so you can improve your skills and make changes to recipes.
- Drop cookies are dropped from a spoon onto a cookie sheet. They may or may not be flattened.
- Bar cookies may be cake-like or compact and chewy. They are cut into bars when cool.
- Do not overmix muffin or cupcake batter; overmixing causes tunnels.
- Foam cakes should have a rough, slightly cracked top crust. Exhibit in upright position with top crust showing.
- Use solid shortening to grease pans rather than oil or spray.
- Whole wheat products are to contain at least 50% whole wheat flour.
- Quick breads do not contain yeast.
- Grease muffin pans and quick bread pans on the bottom only to avoid a “fry line” around the top edge of the baked product.
- Use hydrogenated shortening instead of butter or margarine in cake frostings. It has a melting point of 127° F and produces a better product in hot weather.
- **Follow guidance on Frostings and Fillings provided at <https://www.rrc.k-state.edu/judging/index.html>.** Calculations must be made prior to judging or you will be dropped one ribbon placing.

Remember to thank the sponsors of the fair awards. Sponsors are listed on the back of the award or in the Fair Premium Guide. Without sponsors the fair would not be possible.

Thank-you postcards will be traded for special awards earned. A sincere personal note is expected on each thank-you.

Our CKFF Schedule is a little different this year. Changes are highlighted.

Conference Judging

Purpose: the judge wants to learn more about you and your project.

What to expect: conversation and questions about your project...

- Tell me about how you selected this particular exhibit to compete this year for fair.
- What was your favorite part of this exhibit?
- What was the most important thing you learned?
- If you had the chance to do this exhibit again, what would you change?
- Where did you learn how to _____?
- Tell me more about _____.
- What part was the most difficult?
- What was the easiest?
- How will you use what you learned next time?

Hints

- Keep eye contact with the judge.
- Sit attentively in your chair, try not to wiggle around.
- No gum!
- Speak to the judge, answer questions directly.
- Even though they may be sitting nearby, avoid looking to your parents for information.
- Listen carefully to the feedback the judge gives.
- Ask questions!

PRACTICE!

Central Kansas Free Fair 4-H/FFA Division Fair Helpers Superintendents/Assistant Superintendents

This is the **ONLY** notification you will receive

Helpers should be age 10 or older. Your job as a helper will be specifically outlined for you by your department superintendent(s). It will consist mainly of helping with entries on entry day, watching exhibits at assigned times through the week, and any other items required in a particular department as requested by the superintendent(s). You will need to work at least **4 hours** to receive a fair pass good for one night of grandstand entertainment. Your pass will be given to you by your department superintendent **AFTER** you have completed your work assignments. We are counting on you and if there is any reason you cannot work at your assigned time, please call the Extension Office or the superintendent of your assigned department to plan for another work time.

Most livestock helpers should report on Wednesday during check-in times. Other departments, please be there just before the check-in or judging times. Check in with your department superintendent as soon as you arrive.

For Fair Entry, Winners Walkway, Foods, and Photography divisions, the superintendents of those projects will contact the 4-H Helpers prior to fair to set up a work schedule for fair week.

Find your name on the following list. If you do not find your name and you want to volunteer, check with department superintendents to see if they need any more help. Fair passes are not guaranteed if you were not signed up by the deadline.

Enjoy yourself and thank you for your help with the Central Kansas Free Fair!
