Promoting 4-H Opportunity

Marion County 4-H will be available at Central Park during Chingawassa Days on Saturday, June 1st to promote 4-H.

If you are available and would like to join us, we are hoping to schedule 4-H members throughout the day to demonstrate/present project talks. We are also needing 4-H promotional posters, project displays, etc. to exhibit in the booth. For those who have or are planning to provide a "What I like about

4-H" video, we will be presenting these throughout the day along with a couple of our student created Made 4 You videos.

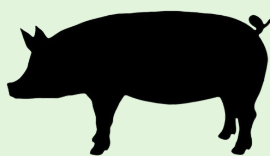

Please reach out to the K-State Extension office in Marion if you are interested in participating.

I believe in 4-H Club work for the opportunity it will give me to become a useful citizen.

I believe in the training of my **HEAD** for the power it will give me to think, plan and to reason.

I believe in the training of my **HEART** for the nobleness it will give me to be kind, sympathetic and true.

I believe in the training of my **HANDS** for the ability it will give me to be helpful, skillful, and useful.

I believe in the training of my **HEALTH** for the strength it will give me to enjoy life, to resist disease, and to work efficiently.

I believe in my country, my state, and my community and in my responsibility for their development.

In all these things I believe, and am willing to dedicate my efforts to their fulfillment.

4 you. . .
