# Fair Schedule Reminders

## **Fair Clean-up/Set Up: Saturday, July 19 @ 8AM**

Please bring brooms, brushes, washrags  
& a good attitude!

## **Review the Fair Schedule**

There have been numerous changes to the schedule, so please check it over!  
The Fair Schedule can be found here:

## **Judging Times**

There are no sign ups for judging times, however we are requesting beginners/juniors arrive first for their judging time, intermediates roughly an hour after that with seniors to follow. This is not mandatory, but a suggestion to help regulate flow at the judges table!

Soft/Optional Fair Check-In  
Monday, July 21 5:30-7:30 PM

This is NOT a mandatory check-in, but an early option if you have fair entry changes/challenges or just want to get it done!

# **Reminder to Sign Up to Help**

## **We are needing Superintendents & Judges Assistants**

This is a great leadership opportunity and an excellent way to advance project skills, as you will get additional time with the judges as they evaluate entries!  
Don't be overwhelmed, here is a short tutorial video explaining the what & how of these roles:

## Marion County 4-H Development Fund Hog Raffle

The Development Fund is doing the Hog Raffle again. Please see your club leader for raffle ticket information. Remember these dollars go into supporting the Marion County 4-H program through scholarships and enhancements to the fair!

**Note: The Development Fund has discontinued the K-State Football ticket Raffle**

**Please thank the Val Klenda family for donating the hog!**

# Project & Livestock Auction Information

**Note: This was a fair entry - you were to make a pre-entry in either Class 1000 or 2000 to participate. If you didn't, please review the fair book and contact the Extension Office to make that entry immediately!**

## Fair Entries/Classes

If you have made the pre-entry to either the Project or Livestock Auction, we are requesting that you send a minimum of three pictures of the 4-Her in "action". "Action" meaning – working on their project. These photos will be printed, matted and given to the purchaser of the project or premium by the 4-Her. The matted photo along with a thank you note will be available at the the fair. Each 4-H member participating in either the project or livestock auction must write their own thank you on the note provided prior to the auction taking place on either Wednesday or Friday night or they will not be allowed to participate!

We will NOT be taking photos at the backdrop for the auction, like in the past! You are responsible to send the "action" photos to the Extension Office by July 16. They can be emailed to:

## It's Fair Time - Enjoy It!

Please remember why we do this! Don't stress; contact us at the Extension Office if you have any questions!
