Let's Give a Great Big Welcome to Addie Berens

Hello! I'm Addie Berens and I will be helping out in the office this summer! I am a senior at FHSU and will be student teaching in the fall. Growing up I was involved in 4-H. I was a member of the Tampa Triple T's for 12 years! My favorite projects were photography and clothing buymanship. My goals for the summer include assisting with fair prep, learning the fair entry program, and getting to know 4-H families.

This is a picture of me giving a demonstration at the state fair 10 years ago. →
