## **CKFF Fashion Revue Instructions**

*Theme— Just a Small Town Throwdown*

Fashion can be a tool that helps us tell our own stories. Fashion Revue allows 4-Hers to explain “why” they have selected their outfit, what they have learned about the construction or care of different fabrics, and what the costs are associated with owning their outfit. We are excited to see how you express yourself at this year’s event!

\*\*Fashion Revue information and forms may be found on our [district CKFF page](#).

## **Fashion Revue Guidance for 2025**

### **Checklist of items needed on Monday, July 28:**

- Typed Script
- Cost Per Wear Sheet & Evaluation Scorecard - completed
- Printed Picture of Participant in Outfit

Fashion Revue Judging will be held at the Emmanuel Church in Abilene (1300 N Vine) with judging going on simultaneously in three different rooms. Participants will have a scheduled time. Check-in will be on the north side of the church, and changing rooms will be available there.

At the "check-in" table, you will be asked to turn in your **completed script for the fashion revue evening event. You will take the Cost Per Wear Sheet, Evaluation Scorecard, and your picture in the outfit to the judge when it is your turn to model.**

**Scripts** are read at the public event in the evening while you model your outfit. Please type scripts on 8 ½ inch by 11-inch paper with an easy-to-read (BIG) font. Include your name and club, then think about what else you would like to share. Ideas-- how many years in 4-H or the project, other 4-H projects you enjoy, where you might wear your outfit, who your parents are, what the fabric is—especially if you are in the constructed project, what your favorite part of the project is, a catchy line or two pulling in the theme (above), etc. Remember, this script is read for the time you will need to be on the stage modeling so think about maybe four to eight sentences of average length. Bring an extra copy with you to use when you practice on the stage after judging.

**Constructed entries only--** will be judged on **Wednesday, July 30 starting at 1 p.m. by schedule** at Sterl Hall. You should have a clothing label on each garment at the fair. Exhibitors can make their own label on a piece of cloth with a permanent or laundry type marker. Labels

should be about 3"x2.5" in size and include exhibitor name, class number and CTD - Dickinson.

**All participants:** Please be dressed and lined up 10 minutes ahead of schedule, unless you are modeling more than one item.

Only the 4-Her will be allowed in the room with the Fashion Revue judge, but please feel free to watch your 4-Her practice on the main stage for public revue.

Following judging, please report to the main stage where you will receive your public revue modeling group assignment. A fashion revue committee member will help you practice for the public revue show. This would also be an opportunity to have someone read your script so that you can practice modeling.

Model only garments that can be worn at one time--do not carry a skirt, slacks, etc. in the constructed division and tell the judge if you are modeling a purchased blouse or other garment.

Attached to the email is a cost per wear form that must be completed and printed for your judging time as well as your printed script. If you need assistance with printing, please email the completed forms/document to us no later than **July 25 at 4 pm** to [chisholmtrail@listserv.ksu.edu](mailto:chisholmtrail@listserv.ksu.edu) and we will print and bring them to the judging. Be sure that you download the form, save it to your device and then fill it out and save it again before emailing it to us. You will receive a reply from us saying that we have received it.

## **PUBLIC FASHION REVUE**

**Same day as judging - Monday, July 28, 7:00 p.m.**

**You must model at the public revue to receive ribbon and premium.**

Press your garments before public revue if needed.

Arrive by 6:30 p.m. to line up for the public revue. We will **not** have a break in the middle of the revue this year. Participants with two outfits will be placed toward the beginning and end of the revue to have time to change.

After modeling, participants may find a seat in the back of the auditorium or with their family and watch the remainder of the revue.

The Champion and Reserve Champions will be selected from **PURPLE ribbon winners**. If you are a purple ribbon winner, when your division is called, please go to the opposite side of the stage from the announcer. If your name is called, please come onto the stage to receive your ribbon. If you have a purple ribbon in the outfit that you modeled first, please carry it on a hanger when returning to the side of the stage for the champion and reserve champion announcements.

***Remember that ONLY constructed garments will be displayed at the fair - NO purchased garments.***
