

A How-to-Guide for Fair Entry

Important Reminders:

- Fair Entry Opens June 16th at 12:01 AM
- Fair Entry Closes June 27th at 11:59 PM
- Recommended browsers include: Google Chrome or Mozilla Firefox.
- Register all fair entries for each exhibitor in the family before proceeding to the payment section.
- Be sure to click the “**Submit**” button when you have completed your entries. Entries are not final until they have been submitted.
- Check your email inbox for a confirmation email with your fair entries. You will receive a second email when your fair entries have been approved by your fair.

Note: Each exhibitor can have multiple entries. One entry must be made for each item, animal, class, etc. For example, if an exhibitor is bringing 2 photographs, two entries into the photography class must be created. If an exhibitor is showing one horse in 5 events, five class entries must be created. Once all entries have been created for the first exhibitor, you have the choice of creating another exhibitor in this family (and entries) or proceeding to check-out (submitting the entries).
