Tri County Fair Association General Rules

Absolutely NO PETS are allowed on the Fairgrounds during the fair with the exception of dogs being shown in the 4-H dog show, limited to the dog show area.

RULE 1: INTERPRETATIONS, AMENDMENTS, VIOLATIONS

- Section 1 - The Tri County Fair Association reserves to the Board the final and absolute right to interpret these rules and regulations and arbitrate, settle, and determine all matters, questions, and differences in regard to or otherwise arising out of, connection with, or incident to the fair.
- Section 2 – In no case shall the Tri County Fair Association, its manager, or any party connected with this organization be held responsible for any loss, damage, accident, injury, or death from any cause of people, property, animals, or disease while they or their property are on the fairgrounds or any other place at any time. The Fair Association will use all reasonable vigilance in the care and protection of all entries while in charge of the fair. Law enforcement will be on the grounds during the fair.
- Section 3 – The Tri County Fair Board hereby gives notification that outside alcoholic beverages are strictly prohibited on the fairgrounds. Violators will be subject to city and state ordinances concerning alcohol on public property.
- Section 4 – Any person who violates any rules of the fair, or special rules will forfeit all premiums and privileges and be subject to such penalty as the Board may order.
- Section 5 – If it be ascertained that any exhibitor has in an inappropriate manner taken exception to the judge or any officer of the Tri County Fair Association for premiums or exhibiting on grounds, the person shall be asked to leave the grounds.
- Section 6 – The Tri County Executive Fair Board will consider all appeals duly filed in writing and verified, if so required. It must be filed with the manager before the close of the show and must be in plain language stating the facts whereon such protest is made. The Executive Board will consider any protests immediately after the show and the manager will announce the decision

to both parties in the contest. The premium contested will be forfeited in case the judge's decision is sustained.

RULE 2: SUPERINTENDENTS AND JUDGING

- Section 1 – A Superintendent will be appointed for each division, whose duty it shall be to receive exhibits, properly classify them, and assist the judges. Assistants will be appointed where needed.
- Section 2 – Entries will be judged as listed on the fair schedule. Each entry will be judged by the standards and independently within its class. Entries will not be judged against one another.
- Section 3 – Exhibitors and observers are not to interrupt the judging in process. Questions may be asked of the superintendent after the class has been judged, and then the judge is to explain the process in question.
- Section 4 – A judge, at his/her discretion, may withhold any or all prize money if an article, or animal, in his/her judgment, is not worthy of award. In classes where there is no competition, the first prize will be awarded, if deemed worthy by the judge.
- Section 5 – Each division of Open Class may award a Grand and Reserve Champion ribbon for the highest quality entries in the division. If no entries are worthy of these awards neither is required to be given. No special prize money will accompany these awards unless specified.

RULE 3: EXHIBITORS DUTIES AND PRIVILEGES

- Section 1 – All entrants must comply with the general and individual division's rules. All Kansas 4-H/FFA members are eligible to participate. No article may be entered after having been previously entered in this fair.
- Section 2 – Entry time for all open class exhibits are listed in the fair schedule. An attempt to enter any item not listed in the catalog will be made in order to give opportunity for all entries. No article may be entered after having been previously entered in this fair.
- Section 3 – Any case not provided for in the rules shall be referred to each division's superintendent and a manager for the decision.
- Section 4 – All entrants must be properly tagged and labeled before meeting with the judge. If needed, exhibitors may be required to return to the tagging station to prevent delays at the judge's table. Every effort will be made to provide a designated space for exhibits awaiting their judge conference.
- Section 5 – All exhibits should remain intact from entry time listed on the fair schedule until pick up time listed on the fair schedule. ANY ENTRIES REMAINING ON THE GROUNDS AFTER THE TIME OF REMOVAL LISTED ON THE FAIR SCHEDULE WILL BE EITHER DISPOSED OF OR DONATED.
- Section 6 – The manager and/or the Fair Board reserves the right to remove any exhibit that may have been falsely entered, or deemed, unsuitable or objectionable. Furthermore, the fair board may remove any sign, banner, identification mark or signature or advertising matter of any kind which may be deemed objectionable by them without giving any reason thereof, including concessions.

RULE 4: ANIMAL EXHIBITS

- Section 1 – Special care will be taken that no animal having a communicable disease of any nature shall enter the grounds at any time. If any show symptoms of disease or illness during the fair, they will need to be removed from the premises by their owners.

RULE 5: TRI-COUNTY 4-H

- Section 1 – 4-H entries and exhibits are to comply with the 4-H regulations.
- Section 2 – General Rule 1, sections 1-6 are applicable to the 4-H entrants.

RULE 6: MISCELLANEOUS

- Section 1 – The Tri-County Fair Association reserves the right to amend and add to these rules, as they, in their judgment, may deem applicable. In the event of conflict of general or special rules, the later will govern.
- Section 2 – The Tri-County Free Fair is not a qualifying fair for the Kansas State Fair with the exception of the 4-H dog show, if judged by a Kansas 4-H certified judge, and the 4-H horse show where successful class completion may be used to complete the Horse Show Qualifying Affidavit.

4-H DIVISION RULES AND REGULATIONS

NOTE: THIS SCHEDULE AND RULEBOOK IS SUBJECT TO CHANGE WITH ANY UPDATES OR GUIDELINES. ALL EFFORTS WILL BE MADE TO ANNOUNCE SCHEDULE OR RULE CHANGES.

- All exhibits must be the current year’s work of the 4-Her including any typing, lettering, etc.
- 4-H club members may exhibit only in the project and phase they are enrolled in.
- This opportunity to exhibit 4-H projects is provided for bonafide Kansas 4-H/FFA members. A bonafide member is an individual of 4-H age and not yet 19 years of age as of January 1 of the current year.
- **Pre-entries are due by June 30, 2026, at 11:59 p.m. for all exhibits.** Entries made by this date will receive a fair t-shirt and static entries will be scheduled for consultation judging.
- Each exhibitor is limited to 2 exhibits in each phase or class in all divisions unless specified otherwise in division rules.
- All exhibits must be properly tagged and labeled before meeting with the judged. If needed, exhibitors may be required to return to the tagging station to prevent delays at the judge’s table. Every effort will be made to provide a designated space for exhibits awaiting for their judge conference.
- Members will cooperate with superintendents, follow their instructions, and abide by their decision. In case the exhibitor objects to an interpretation of the rules, objection must be made to the superintendent. If determined to be necessary, the superintendent may refer to the 4-H Council, and/or agents which is the final authority in rules interpretation.
- Exhibits will be placed purple, blue, red, and white categories.
- **No exhibits are to be removed before 3:00 p.m. on Saturday, July 11th.**
- All static (indoor) 4-H exhibits must have an attached project label. These will be available at check-in or prior to the fair at the Extension Offices.
- 4-H/FFA members are subject to the codes of conduct of their membership organizations. Violation of the code of conduct will result in disqualification and loss of premiums and prizes.

- 4-H exhibitors (individual or group) should avoid using copyrighted materials by originating his/her own work. A 4-H member or group should use with caution, a copyrighted and/or trademark product or service (a brand name, label, or product).
- All 4-H premium money will be sent to club leaders in the form of a check for dispersal after the fair.

ENTER YOUR FAIR EXHIBITS AT <http://tcff-herington.fairentry.com/>

4-H LIVESTOCK RULES AND REGULATIONS

- Livestock exhibitors will follow species dress code requirements. If none, they are to wear nice jeans, a collared shirt with sleeves and close toed shoes.
- Animals shown in the market classes are not eligible to show in breeding classes and vice versa.
- Club members must be present to weight animals. Committee will not be responsible for animals whose owners are not present.
- Each exhibitor is limited to 2 exhibits in each class unless otherwise specified in division rules. Any additional animals will be sent home. Dairy may not exhibit more than 2 animals per class.
- 4-Hers must exhibit their own animals with these 2 exceptions:
 - 4-Her has 2 animals in the same class; (2) 4-Her is ill or injured. Another 4-Her may then exhibit the animal.
- No livestock projects are automatically entered in the State Fair. Those wishing to show there are responsible for making entries at the Tri County 4-H Fair Office during the fair. Entries for the State Fair in the beef, sheep, and swine projects are due July 15th in the State Fair.
- Club members entering showmanship MUST own and fit the animals entered in the event.
- Each exhibitor MUST groom their own animal and may use the assistance of an immediate family member (mother, father, legal guardian, brother, or sister) or of another 4-H member who is an exhibitor at the show.
- The Extension staff reserves the right to select any livestock exhibited by 4-Hers for the judging contest.
- Superintendent is authorized to refuse animals showing signs of disease or which are otherwise dangerous to other animals being shown.
- WITHDRAWAL TIMES FOR DRUGS, GROWTH PROMOTANTS AND OTHER APPROVED MATERIALS: Exhibitors, their parents, leaders, and instructors have a serious responsibility to use animal health aids (drugs), growth promotants, and any other approved materials with great care, and only when needed and in correct amounts.
- The giving of an oral or injected diuretic, growth promotant, or other medication not approved for any domestic animal constitutes an unethical practice.
- The use of tranquilizers in show animals falls under the category of extra label use and requires a veterinary-client relationship. Any extra label drug use by lay people without a veterinary-client relationship is illegal. The use of tranquilizers simply to calm excitable food producing show animals is unethical.
- Exhibitors who abuse an animal may be barred from showing and will forfeit any premium, ribbon or prize won. The word abuse includes beating, slapping, using an electric prod, forcing a lamb into a solid object in an attempt to make the animal brace more firmly. Bracing a lamb by holding the front feet off the ground also constitutes abuse.
- Superintendents and fair officials may determine that any exhibitor who has tampered with or who inhumanely abuses an animal may be barred from showing and will forfeit any premium, ribbon or prizes won.

- All livestock exhibits will be released on Saturday at 3:00 p.m.

LIVESTOCK HEALTH REQUIREMENT

All animals shall be free of clinical signs of infectious or contagious disease. Cattle and goats determined by superintendents to have lesions of ringworm, warts, or infested with mange will not be permitted to show. A negative pseudorabies and brucellosis tests are not required for Kansas origin swine. Sheep shall be free of any signs of “sore mouth” and free of signs of active fungal (ringworm) infection, including club lamb fungus. Poultry must have a negative test for pullorum typhoid to be eligible for exhibit. All horses to be exhibited must have a Veterinarian’s Health Certificate verifying that the horse has tested negative for Equine Infectious Anemia (Coggins) within the previous 12 months. Any horse that doesn’t have a Health Certificate verifying a negative Coggins test will not be allowed on the premises.

K-State Extension is committed to providing equal opportunity for participation in all programs, services, and activities. Program information may be available in languages other than English. Reasonable accommodations for persons with disabilities, including alternative means for communication (e.g. Braille, large print, audio tape, and American Sign Language) may be requested by contacting the event contact, **Rickey Roberts**, two weeks prior to the start of the event at **620-382-2325** and rroberts@ksu.edu.

Requests received after this date will be honored when it is feasible to do so. Language access services, such as interpretation or translation of vital information, will be provided free of charge to limited English proficient individuals upon request.

4-H BUCKET CALF RULES

- All calves must be in place and checked in Wednesday morning.
- Classes will be divided according to age of exhibitor.
- A 4-H member may show only one bucket calf.
- Calves must be born between January 1 and May 1 of the current fair year.
- 4-H members must own their own calf by May 1
- Calves are to be raised, fed, and cared for solely by the 4-H member and his/her family. The calf must be “orphaned” and not be on a cow.
- Calves should be halter trained and able to lead at the fair.
- Conference judging will take place on Thursday afternoon with Showmanship judging on Thursday evening.
- Judging will be based on 50% conference judging and 50% cleanliness and showmanship. No fitting, clipping, or use of show sticks is allowed.
- Judges may select a champion and reserve champion if they see CLASSES.

BUCKET CALF CLASSES

Class 18A – 4-H members (ages 10-12 years old)

Class 18B – 4-H members (ages 7-9 years old)

PREMIUMS: BLUE \$5.00/RED \$4.00/WHITE \$3.00

4-H SHEEP

4-H SHEEP RULES

- Read general fair and 4-H regulations.
- All lambs must be identified with an official USDA premise ID tag.
- Ewe lambs can be shown as a market lamb or a breeding ewe.
- Maximum of 3 market lambs per exhibitor may be shown.
- Market lambs must be shown slick shorn.
- Only wethers or ewe lambs may be shown. No ram lambs or cryptorchids.
- Exhibitors who abuse an animal will be barred from showing and will forfeit any premium, ribbon, or prize won. The word abuse includes beating, slapping, using an electric prod, forcing a lamb into a solid object in an attempt to make the animal brace more firmly, bracing a lamb by holding its front feet off the ground.
- No artificial coloring is allowed on market lambs.

MARKET LAMB CLASSES

Lamb classes will be divided according to breed and weight.

WFX – White Face Cross

BFX – Black Face Cross

Class 23 – Market lambs (Lambs will be divided by weight to accommodate show ring.)

Grand Champion Lamb – Open to first and second place winners in each class. (Must receive blue ribbon to be eligible).

Class 31 – Market Hogs

Class 32 – Prospect Market Hogs - hogs must weigh less than 225 lbs. (For this class only later tagged swine can be exhibited. Will not be eligible for champion.)

Grand Champion Market Hog - Selected from class champions.

BREEDING SWINE CLASSES

Only gilts may show. Fair Association is not liable for any health problems after animals leave the fair.

Class 33 – Breeding Gilts

Champion Gilt – Open to first and second place animals in each breed. (Must receive blue ribbon to be eligible).

Supreme Champion Gilt – Selected from breed champions.

PREMIUMS: BLUE \$5.00 / RED \$4.00 / WHITE \$3.00

SHOWMANSHIP

Class 33A – Sr. Swine Showmanship 14 and older

Class 33B – Int. Swine Showmanship 11 to 13 years old

Class 33C – Jr. Swine Showmanship 7 to 10 years old

Grand Champion Showman will be selected from first and second place winners in the intermediate and senior divisions.

Grand Champion and Reserve Grand Champion will qualify for Round Robin Contest.

4-H DAIRY CATTLE

4-H DAIRY CATTLE RULES

- Read general fair and 4-H regulations.
- Club members must be enrolled in dairy at least 100 days prior to the show and be able to prove ownership by July 1.
- Age, not maturity, will determine classification.
- Purebred registered dairy animals, registered in the 4-H members name by July 1, identified grade Holsteins and DHIA-VIP animals are eligible to be shown. Other grade animals must have ownership verified by county extension agent.
- Entries may be purebred or high grade. Mixed breeds are not eligible to receive premium money or ribbons.
- The yearling heifer class may be divided into junior and senior heifer, and the cow class into two-year-olds and three-year-olds, or over three if the number of entries is large enough.
- Non-lactating dairy animals must be in place on Thursday. Lactating cows may be brought to the fair in the morning of the show. Lactating animals may leave following the show.
- No limit on total entries. 4-H member may enter only 2 animals per class.

DAIRY CATTLE CLASSES

Class 41 – Heifer Calves

Class 42 – Yearling Heifers

Class 43 – Heifers or Cows

Champions – Open to first and second place animals in each breed. (Must receive blue ribbon to be eligible).

Supreme Champion – Selected from breed champions

PREMIUMS: BLUE \$5.00 / RED \$4.00 / WHITE \$3.00

SHOWMANSHIP

Class 40A – 14 and over as of January 1

Class 40B – 11-13 as of January 1

Class 40C - 10 and under as of January 1

Grand Champion Showman selected from first and second place winners in intermediate and senior divisions.

Grand and Reserve Grand Champion Showmen will qualify for Round Robin Contest.

4-H DAIRY GOAT

4-H DAIRY GOAT RULES

- Read general fair and 4-H regulations.
- Entries will be placed in classes by age with the day of judging being the base date.
- Each exhibitor is limited to a maximum of 2 goats per class.
- All dairy goats, with the exception of lactating animals, must be in place on Thursday. Lactating animals may be brought to the fair the morning of the show. Lactating animals may leave following the show.

Class 2250 – Recorded Grades junior doe, birthdate from April 1 to show date of current year
Class 2251 – Recorded Grades junior doe, birthdate from March 1 to March 31 of current year
Class 2252 – Recorded Grades junior doe, birthdate from September 16 of two years prior to the last day of February of current year. Never Freshened.
Class 2253 – Recorded Grades junior doe, birthdate from September 16 of three years prior to September 15 of two years prior. Never Freshened.
Class 2254 – Recorded Grades senior doe, 2 years and under in milk or previously freshened
Class 2255 – Recorded Grades senior doe, 3 years and older in milk or previously freshened Supreme Champion – Selected from breed champions
Class 57 – Market Dairy Wether less than one year old (goats will be divided by weight).
Champion Dairy Wether – Open to first and second place dairy wethers

PREMIUMS: BLUE \$5.00 / RED \$4.00 / WHITE \$3.00

SHOWMANSHIP

Class 2200 – 14 and over as of January 1

Class 2201– 10-13 as of January 1

Class 50– 7 - 9 as of January 1

Grand Champion Showman selected from first and second place winners in intermediate and senior divisions.

Grand and Reserve Grand Champion Showmen will qualify for Round Robin Contest.

4-H HORSE

4-H HORSE RULES

- Read general fair and 4-H rules.
- Show will follow the rules and guidelines and be conducted as outlined in “Kansas 4-H Horse Show Rule Book.”
- Horse must be owned by a 4-H member or 4-H member’s immediate family and ID certificate completed and filed at the Extension Office by June 1 of the current year.
- Horse may be leased provided youth manages the horse at least 75% of the time from June 1 to October 1. A leased horse must have an ID certificate completed and filed at the Extension Office by June 1 of each year. A 4-H member may only identify one leased horse per year and may not ID any family-owned horse. If the leased horse is a snaffle bit horse, the 4-H member may also identify a family-owned horse to serve as an “open” project horse but may not identify a family-owned horse for the 2-year-old snaffle bit horse.
- Each horse must be accompanied by a current negative Equine Infectious Anemia (Coggins) within the previous 12 months and current 4-H Horse ID papers. Any horse that does not have a current negative Coggins and current 4-H Horse ID papers will not be allowed to be exhibited.
- 4-H members may exhibit up to 3 head in halter classes.
- Each animal must be exhibited or ridden by the 4-H owner. In halter classes, one attendant of 4-H age may help. Adults are not to be in the show ring while animals are being judged.
- Exhibitors must follow the State 4-H dress code: western hat or protective headgear, long-sleeved button shirt with a collar, boots with a distinguishable heel, and riding jeans or trousers. A short-sleeved, collared shirt will be allowed at the discretion of the Superintendent if extreme heat exists.
- The Superintendent will decide if Junior, Intermediate, or Senior classes need to be combed.
- Only mares and geldings may be shown. There will be no stallions allowed.
- Horses will not be housed at the fair. They will enter on show day and then be released after showing.
- Horses are shown at the owner’s risk.
- The Superintendent or Judge has the right to dismiss from a class any animal that is unruly, hard to handle, or a danger to other contestants.
- For Showmanship classes, the top two placings from each the intermediate and senior divisions will show for overall Grand Champion Showman and Reserve Grand Champion Showman. Grand and Reserve Showman will then have the opportunity to participate in Round Robin.
- The following percentage points will be judged in the Halter classes:
 - Conformation – 90%
 - Grooming, training, and manners – 10%
- The top two blues per halter class will return to compete for Grand Champion and Reserve Grand Champion halter horses for each sex. Horses that are not of blue quality will not be considered for Grand Champion and Reserve Grand Champion.
- There will be a 15-minute break to allow for warm up between halter classes and riding classes.
- Participants in the Walk-Trot classes cannot participate in the following classes: Western Pleasure, Western Horsemanship, Reining, English Pleasure, or English Equation. However, they may trot the timed events.

- Reining classes will follow one of the approved 4-H reining patterns designated by the judge.
- Trail may be ran/judged in the side ring at the Fair Board's discretion, for the duration of the show, to save time.

SECTION I – SHOWMANSHIP

Class 60A - Senior Horse Showmanship (14 to 18 years of age)

Class 60B - Intermediate Horse Showmanship (10 to 13 years of age)

Class 60C - Junior Horse Showmanship (7 to 9 years of age)

Grand Champion Showman is selected from first and second place winners in intermediate and senior divisions. **Grand and Reserve Grand Champion Showmen** will qualify for the Round Robin contest.

SECTION II – HALTER CLASSES

FILLIES AND MARES

Class 61A - Weanling Filly, less than 12 months of age

Class 61B - Yearling Filly, one year of age

Class 61C - Two-Year-Old Filly, two years of age

Class 61D - Aged Mares, three years of age and older

Class 61E - Pony Mares, of any age

** At this time the top two blues from each class will return for Grand Champion and Reserve Grand Champion Mare.*

COLTS AND GELDINGS

Class 62A - Weanling Colt, less than 12 months of age

Class 62B - Yearling Colt, one year of age

Class 62C - Two-Year-Old Gelding, two years of age

Class 62D - Aged Geldings, three years of age and older

Class 62E - Pony Geldings, of any age

** At this time the top two blues from each class will return for Grand Champion and Reserve Grand Champion Gelding.*

SECTION III – RIDING CLASSES

ENGLISH

Class 63- Senior English Pleasure (14 to 18 years of age)

Class 64- Intermediate English Pleasure (10 to 13 years of age)

Class 65- Junior English Pleasure (7 to 9 years of age)

Class 66- Senior English Equitation (14 to 18 years of age)

Class 67- Intermediate English Equitation (10 to 13 years of age)

Class 68- Junior English Equitation (7 to 9 years of age)

WALK-TROT

Class 69- Senior Walk-Trot (14 to 18 years of age)

Class 70- Intermediate Walk-Trot (10 to 13 years of age)

Class 71- Junior Walk-Trot (7 to 9 years of age)

** Participants in the Walk-Trot classes cannot participate in the following classes: Western Pleasure, Western Horsemanship, Reining, Hunter Hack, or Equitation. However, they may trot the speed events.*

RANCH HORSE RAIL

Class 72- Senior Ranch Horse Rail (14 to 18 years of age)

Class 73- Intermediate Ranch Horse Rail (10 to 13 years of age)

Class 74- Junior Ranch Horse Rail (7 to 9 years of age)

RANCH HORSE PATTERN

Class 75- Senior Ranch Horse Pattern (14 to 18 years of age)

Class 76- Intermediate Ranch Horse Pattern (10 to 13 years of age)

Class 77- Junior Ranch Horse Pattern (7 to 9 years of age)

WESTERN PLEASURE

Class 78- Senior Western Pleasure (14 to 18 years of age)

Class 79- Intermediate Western Pleasure (10 to 13 years of age)

Class 80- Junior Western Pleasure (7 to 9 years of age)

Class 81- Western Pleasure Pairs (all ages)

WESTERN HORSEMANSHIP

Class 82- Western Horsemanship Walk-Trot (all ages)

Class 83- Senior Western Horsemanship (14 to 18 years of age)

Class 84- Intermediate Western Horsemanship (10 to 13 years of age)

Class 85- Junior Western Horsemanship (7 to 9 years of age)

REINING

Class 86- Senior Reining (14 to 18 years of age)

Class 87- Intermediate Reining (10 to 13 years of age)

Class 88- Junior Reining (7 to 9 years of age)

TRAIL

Class 89- Senior Trail (14 to 18 years of age)

Class 90- Intermediate Trail (10 to 13 years of age)

Class 91- Junior Trail (7 to 9 years of age)

Class 92- Miniature Horse Trail (all ages)

SECTION IV – SPEED EVENTS

BARREL RACING

Class 93- Senior Barrel Racing (14 to 18 years of age)

Class 94- Intermediate Barrel Racing (10 to 13 years of age)

Class 95- Junior Barrel Racing (7 to 9 years of age)

FLAG RACE

Class 96- Senior Flag Race (14 to 18 years of age)

Class 97- Intermediate Flag Race (10 to 13 years of age)

Class 98- Junior Flag Race (7 to 9 years of age)

POLE BENDING

Class 99- Senior Pole Bending (14 to 18 years of age)

Class 100- Intermediate Pole Bending (10 to 13 years of age)

Class 101- Junior Pole Bending (7 to 9 years of age)

PREMIUMS: BLUE \$5.00/RED \$4.00/WHITE \$3.00

ROUND ROBIN SHOWMANSHIP CONTEST

4-H ROUND ROBIN SHOWMANSHIP CONTEST AND RULES

- The top 2 ranked showmen in the sheep, beef, swine, horse, dairy, dairy goat, meat type goat divisions are eligible to compete.
- 2 Contestants will show each of the six species to determine the Overall Grand and Reserve Grand Champion Showmen.
- Contestants will show the species from which they qualified for the Round Robin Contest to break tied scores.
- A person may win the Overall Round Robin Showmanship Contest only once. After winning the contest, they are ineligible to compete in the contest again.
- 4-H members will qualify for the Round Robin contest on the first species that they are chosen in. Subsequent selection in other species will not be counted.
- Grand Champion and Reserve Grand Champion Showman will be based on their ability to show all species.
- Animals must be clean to show but should not be fitted.
- Any substitution of animals for the contest due to injury, sickness, or unruly disposition must be made with approval of specie superintendent or Round Robin superintendent.

***CHAMPION** Buckle sponsored by Hawkes Family*

4-H POULTRY, PIGEONS, RABBITS

4-H POULTRY, PIGEONS, AND RABBIT RULES

POULTRY

- Read general fair and 4-H regulations.
- All exhibits are to be checked in Tuesday evening. Poultry exhibits can be released Friday at 9:00 p.m., or earlier depending on the heat.
- Judging of classes 3201, 3202, 3203, 3204, 3209, 3210, 3211, 3212 will be done primarily on the basis of exhibition qualities as described in “The American Standard of Perfection.”
- Judging of classes 3205, 3206, 88 will be done on the basis of production qualities only.
- Disqualification will bar competition. Each member may enter one entry per class, per variety, per breed.
- Each member may only entry one entry per class, per variety, per breed.

POULTRY CLASSES

Class 3201 – Standard Breeds – Large Fowl – One young bird of either sex

Class 3202 – Standard Breeds – Large Fowl – One old bird of either sex

Class 3203 – Standard Breeds – Bantams– One young bird of either sex
Class 3204 – Standard Breeds – Bantams– One old bird of either sex
Class 3205 – Production Pullets – Pen of 3
Class 3206 – Production Hens – Pen of 3
Class 3207 – Dual purpose pullets – Pen of 3
Class 3208 – Dual purpose hens – Pen of 3
Class 3209– Turkeys
Class 3210 – Ducks, Call or Bantam, all breeds, one bird of either sex
Class 3211 – Ducks, all breeds, one bird of either sex
Class 3212 – Geese, all breeds, one bird of either sex
Class 88 – Meat type chickens

PREMIUMS: BLUE \$1.75 / RED \$1.50 / WHITE \$1.25

PIGEON CLASSES

Class 93 – Old Cock (Born in previous calendar year)
Class 94 – Old Hen
Class 95 – Young Cock (Born in this calendar year)
Class 97 – Young Hen

PREMIUMS: BLUE \$1.75 / RED \$1.50 / WHITE \$1.25

RABBIT RULES

- All exhibits are to be checked in and in place by check-in time on Thursday.
- 4-H members may enter two entries per class, per variety, per breed. Example: May show two junior New Zealand White Does, two junior New Zealand Red Does, or two junior New Zealand Black Does.
- Rabbits will be judged according to latest revised rules of American Rabbit Breeders Association.
- Diseased rabbits will be barred from the show. 5. All rabbits must have ear markings.
- All exhibitors should be present to carry rabbits to the judging table.
- Only recognized breed champions may be considered for best of show champion.
- Rabbits shown in the meat pen class may not be shown in other showmanship.

RABBIT

Class 110 – Mix Breed – for first year member, judging on care and condition of rabbit. Can enter a fur class. Not eligible for grand champion; not eligible for State Fair. Can enter a showmanship class.
Class 3400 – Senior Buck, 8 months and older
Class 3401 – Senior Doe, 8 months and older
Class 3402 – Intermediate Buck, 6 to 8 months
Class 3403 - Intermediate Doe, 6 to 8 months
Class 3404 – Junior Buck, under 6 months
Class 3405 – Junior Doe, under 6 months
Class 3406 – Pre-Junior Buck, under 6 months, note: eligible for premium
Class 3407 – Pre-Junior Doe, note: eligible for premium
Class 3420 – Meat Pen, three (3) rabbits, all one recognized breed and variety, minimum weight 3 pounds each, maximum weight of 5 pounds each – rabbits in meat pen are ineligible for other classes). Cannot be over 70 days of age. Judged on meat quantities, condition, and uniformity.

Class 3450 – Normal White Fur

Class 3451 – White Satin Fur

Class 3452 – White Rex Fur

Class 3453 – White Wool Fur

Class 3454 – Normal Colored Fur

Class 3455 – Colored Satin Fur

Class 3456 – Colored Rex Fur

Class 3457 – Colored Wool Fur

Colored and White Fur entries must be made from rabbits that are entered in the regular breed class 3400-3407.

Note: Classes of pre-junior apply only to the following breeds: Beveren, Californian, Champagne, D'Argent, American Checkered Giant, American Chinchilla, Cinnamon, Creme D'Argent, Flemish Giant, New Zealand, Palomino, Satins, and Silver Fox.

Classes of intermediate apply only to the following breeds: American, Beveren, Californian, Champagne D'Argent, American Checkered Giant, American Chinchilla, Giant Chinchilla, Cinnamon, Creme D'Argent, Flemish Giant, English Lop, French Lop, New Zealand, Palomino, Satin and Silver Fox.

PREMIUMS: BLUE \$1.75 / RED \$1.50 / WHITE \$1.25

SHOWMANSHIP

Class 3460 – Senior Showmanship (ages 14+ years old)

Class 3461 – Intermediate Showmanship (ages 10 to 13 years old)

Class 3462 – Junior Showmanship (ages 7 to 9 years old)

4-H DOG

4-H DOG RULES

The purpose of the Dog project is to provide an opportunity for Kansas 4-H members to demonstrate the proficiency of the dogs they have personally trained and groomed in their 4-H project. The different classes being judged are showmanship, obedience, and rally obedience.

- Members are required to own, care for, and train their dogs, but they may be assisted by 4-H leaders or family members.
- Dogs in season will not be allowed to show.
- The “Kansas 4-H Dog Show Rule Book” (January 2023) will be used as a source of show requirements.
- 4-H Dog Show Immunization Record must have been completed in the spring for each dog to be used in the dog show and presented at the dog show. Required vaccinations (Distemper, Hepatitis, Parvovirus, Parainfluenza, Rabies, and Bordetella) must be current.
- Abuse of dogs will not be tolerated at any time. Dogs must not be left unattended at any time.
- Disqualification with NO RIBBON given under these circumstances:
 - Dogs/Handlers dismissed from the ring BY JUDGE due to dog leaving ring or out of control, dog being overly aggressive, or handler using abusive language or unsportsmanlike conduct.
 - Baiting dogs is not allowed in the ring.

- No mobile phones and/or other electronic devices are allowed in the ring.

Showmanship

The purpose of Showmanship is to provide 4-H members the opportunity to show their dog and themselves to the best of their ability.

SHOWMANSHIP CLASSES

Class 440C – Junior – Exhibitors 7 to 9 years old as of January 1 of the current year.

Class 400B – Intermediate – Exhibitors 10 to 13 years old as of January 1 of the current year.

Class 400A – Senior – Exhibitors 14 years and older as of January 1 of the current year

Obedience

Kansas 4-H Obedience is to provide 4-Hers the opportunity to demonstrate the teamwork necessary to work under a variety of condition. In obedience, the intent is to evaluate the proficiency by which the dog and handler are able to perform various exercises as a team in much the same way as might be done in demonstrating the behavioral activities in normal life.

OBEDIENCE CLASSES

Class 441 – Pre-Novice A: First-year handler and first-year dog (Heel and Figure 8, Stand for Examination, Recall, 1 minute Sit Stay, 3 Minute Down Stay – all on leash).

Class 442 – Pre-Novice B: For handler that did not qualify in Sub-Novice A in previous year; experienced handler and first-year dog; or experienced dog and first-year handler – all exercises same as above

Class 444 – Novice A: First year off-leash for handler and first year off-leash for dog. (Heel and Figure 8 on leash. Stand for examination off leash, heel free, recall off leash, one minute sit stay off leash, three minute down stay off leash).

Class 445 – Novice B: Experienced handler with first or second-year dog, or those not qualifying in Novice A in previous year – all exercises same as Novice A.

Class 446 – Graduate Novice. For those receiving a qualifying score in Novice A or B in previous year. (Heel on leash, heel free and figure 8 off leash, stand for examination off leash, drop on recall, three minutes sit stay out of sight, five minute down stay out of sight).

Class 447 – Open A: For those who have qualified in Graduate Novice in prior year.

Class 448 – Open B: For those who have qualified in Open A in prior year.

RALLY-OBEDIENCE (RALLY) CLASSES

Offered at Superintendent’s Discretion

***Class 223** – Rally Level I - for all 4-Hers (All exercises performed ON-LEASH)

Class 3645 – Rally Level II (off-lead) - for 4-Hers 9 years of age and older and dogs who have qualified with a blue or purple ribbon or at local or multi-county shows in Level I.

Class 3646 – Rally Level III - for 4-Hers 9 years of age and older & dogs who have qualified with blue or purple ribbons at local or multi-county shows in Level II.

PREMIUMS: BLUE \$1.75 / RED \$1.50 / WHITE \$1.25

4-H CLOVERBUDS

4-H CLOVERBUD RULES

4-H CLOVERBUDS

- Open to 4-H Cloverbud members. Two exhibits allowed.
- Their display area can be used to show any item made during Cloverbud meetings. Examples include scrapbooks, posters, photos, craft type items. Animals are limited to those listed on the Kansas 4-H Cloverbud approved animal list (non-livestock pets).
- 4-H member will visit with the judge about their exhibit and will receive a participation ribbon.

CLOVERBUD CLASSES

***Class 450** – Cloverbud Project Exhibit

JUDGE WILL PROVIDE PARTICIPATION RIBBONS

4-H AEROSPACE/ROCKETRY

4-H AEROSPACE/ROCKETRY RULES

- 4-H members must be currently enrolled in the Kansas Aerospace/Rocketry project to exhibit in this division.
- All exhibits must be tagged or labeled according to specific 4-H project rules.
- Each exhibitor may enter up to two rocket exhibits that have been constructed during the current year. If two rockets are entered, one rocket must be a “model rocket kit”, the second may be entered into any other applicable class. An exhibitor may not enter two rockets in the same class.
- 4-H members are to complete and sign the rocketry information form, available from <https://rocketry.engtech4ks.com/> or your local extension office and attach it to a 10” x 13” manilla envelope. The envelopes should contain:
 - Instructions on how to construct the rocket.
 - Up to 5 pages of pictures. Pictures are to be attached to sheet of paper from both construction and launch.
 - Documentation of any flight damage that occurred.
 - Any modifications made to the rocket except for paint scheme and decals.
 - An additional page for altitude calculations if the space on the form is not enough.
 - Additionally, for original design rockets, also known as “scratch bulk,” rockets:
 - Additional pages of photos are allowed
 - Documentation of how the rocket was tested for stability
- If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor’s rocket, at the judges’ discretion, will receive a participation ribbon.
- Rockets are to be displayed upright on a display stand with a sturdy rod that does not extend past the top of the rocket, or stand unassisted, unless the rocket is taller than 4 feet in which case no display stand is required and the rocket may be displayed on its side, rockets are not to be displayed on launch pads to save space and prevent someone from being poked in the eye.
- Rockets ARE NOT to be displayed with used or unused rocket engines either in the rocket or as part of the stand, if rocket engines are included in the exhibit the judge may disqualify the exhibit.

- Rockets should be flown unless there is an active burn ban in the county or conditions are too dangerous to safely launch the rocket. Just flying the last stage (the part with the nose cone) of a multi-stage rocket is acceptable.
- Rockets, except those in the JR division, are not to be “beginner kits” or use prefabricated (molded plastic) fin assemblies, or pre-finished rockets requiring no painting, these are not acceptable outside the JR division, and should be disqualified. Rockets entered in the JR division may not go on to the Kansas State Fair.
- Angles of fins must fall within a plus or minus 2-degree variation using an approved fin alignment guide (such as KSSTAC10). An official fin guide is available from <https://rocketry.engtech4ks.com/>
- Fins and body tubes, except those in the introductory division, are to be filled and sealed with putty, sanding sealer, and/or primer or other suitable filler to eliminate the appearance of body grooves and wood grain.
- Fins and launch lugs are to be filtered to reduce drag and properly secure them to the model.
- Engine mounts are to be securely attached to the body tube.
- Any seams on plastic parts are to be sanded smooth.
- The recovery system (typically a parachute or streamer) should be attached according to the instructions.
- The nose cone is to fit snugly but still allow for easy removal.
- Exhibits must be uniformly painted and smoothly finished without “runs”, “orange peel”, or “alligator skin” or finished as per rocket instructions (for example, not painting required), and decals, if used, are applied smoothly.
- Models may not be judged based on their paint scheme. The judge may deduct up to one ribbon placing for not following the paint scheme.
- “Scale Models” displayed in the scale model class are to be finished and completed with a majority (greater than 70%) of decals. For all other rockets, the use of decals is optional.
- Original design rockets cannot be a modification of a pre-existing kit and must be of original design.
- Original design rockets must be designed by the exhibitor(s).
- Exhibitor(s) must be 11 years of age (4-H age) or older to enter an original design rocket.
- Original design rockets must include detailed instructions, so that someone could construct the original designed rocket just like a kit purchased at a store. Instructions can be as many pages as needed to convey full and complete construction techniques.
- For a rocket entered in the original design classes, describe in the summary how the rocket was tested for stability prior to flying. Swing testing of the rocket is required. Other tests and calculations are strongly encouraged. Exhibitors must include documentation of the swing test. Failure to swing test a rocket will result in a deduction of TWO ribbon placings.
- Rockets that use more than one ‘D’ engine or equivalent are considered mid or high-power rockets in 4-H.
- Mid and High-Power exhibitors must be a least 14 years of age by January 1 of the current year.
- In addition to the information packet completed for all rockets, a high-power information form is to be complete and placed inside of the information packet. This may be downloaded from <https://rocketry.engtech4ks.com/>
- Exhibitors in the mid and high-power divisions must hold memberships in either NAR or Tripoli organizations.

- The NAR High Power Rocket Safety Code applies to the construction and launching of all rockets displayed in this division. As such all mid and high-power rocketry exhibitors must comply with the NAR High Power Rocket Safety Code that is in effect as of October 1st of the current 4-H year.
- All rockets in the mid and high-power divisions are to be launched under adult supervision by the 4-H member who constructed the rocket.
- For rockets launched using an engine(s) that have 160.1 ('H' engine or equivalent amount of smaller engines) Newton's-seconds or larger, adult supervision must be provided by an individual having at least a level 1 high power certification. The 4-H member should also hold or be attempting to attain their level 1 high power certification if launching on this large of an engine.

NOTE: As defined by the national Associate of Rocketry (NAR), a scale model is “any model rocket that is a true scale model of an existing or historical guided missile, rocket vehicle, or space vehicle.” The intent of scale modeling is, according to the NAR, “to produce an accurate, flying replica of a real rocket vehicle that exhibits maximum craftsmanship in construction, finish, and flight performance.” (NAR “Pink Book” 50.1 4-1)

ROCKETRY CLASSES

Beginner Division (ages 7 to 8)

***Class 5520A** – Rocket made from kit, without pre-assembled fin units. Include plans.

***Class 5520B** – Rocket made from “beginners kit”. Include plans. Rockets in this class may have pre-assembled fin units. (This class is for first and second year 4-H members to explore the rocketry project).

***Class 5520C** – Scale Model Rocket made from kit. Include plans.

Junior Division (ages 9 to 13)

Division A – Kit

Class 5520 – Rocket made from kit. Includes plan.

Class 5537 – Scale Model Rocket made from kit. Includes plan.

Intermediate Division (ages 11 to 13)

Division B – Scratch Built

Class 5521 – Rocket designed by exhibitor, not merely a modification of an existing kit. Include original plan.

Class 5538 – Scale Model Rocket designed by exhibitor, not merely a modification of an existing kit. Include original plans and stability testing.

Senior Division (ages 14 and older)

Division C

Class 5525 – Rocket made from kit. Include plans.

Class 5526 – Rocket designed by exhibitor. Not merely a modification of an existing kit. Include original plans.

Class 5539 – Scale Model Rocket made from kit. Include plans.

Class 5540 – Scale Model Rocket designed by exhibitor. Not merely a modification of an existing kit. Include original plans.

Team Division (ages 11 and older)

Division D – Team Built

This class is designed to encourage teamwork among individuals and clubs to work on a rocket from the initial design to the finished project.

Class 5530 – Rocket designed by 2 or more exhibitors. Not merely a modification of an existing kit. Include plans.

Division E (ages 14 and older)

Class 5536 – Mid-power rocket made from kit or original design.

***CANNOT BE EXHIBITED AT THE KANSAS STATE FAIR**

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM EACH ROCKETRY AGE DIVISION

PREMIUMS: PURPLE \$1.50/BLUE \$1.50/ RED \$1.25/ WHITE \$1.00

4-H AG MECHANICS WELDING

4-H AG MECHANICS WELDING RULES

This project allows youth to explore areas of ag mechanics welding and metallurgy from repairing or repurposing items to the fabrication of new items. The intent is for this program to start with foundational areas, some of which youth may already have, and allow them to continue to build on this knowledge becoming more experienced.

- 4-H members must be currently enrolled in the Kansas 4-H Ag Mechanics Welding project to exhibit in this division.
- All exhibits must be tagged or labeled according to specific 4-H project rules.
- Wheeled exhibits must utilize a breaking mechanism which prevents the exhibit from freely rolling while in display.
- Exhibitors are responsible for providing sufficient braking or “chocks” for trailer exhibits to ensure that the exhibits do not move once positioned. If using a wheel “chocking” mechanism, the two individual blocks should be connected together as a pair of chocks, so they do not become separated. At least one pair of chocks should be placed on each side of the trailer to prevent movement.
- For trailer exhibits, the tongue of the trailer should have a locking mechanism (e.g. padlock) to prevent the trailer from being moved by unauthorized individuals while being displayed. **A key for the locking mechanism should be left with the superintendent and labeled with the exhibitor’s name, county, and phone number.**
- For exhibits with downward swinging parts, such as tailgates, that could pose a fall/striking/crushing hazard should have a tamper resistant locking mechanism such as “zip tie” or a “cotter-key” through a release pin that would prevent the swinging part from being accidentally released and falling on someone.
- Each exhibit must be free-standing or sufficiently supported by an exhibitor supplied support system that is moveable and is part of the total dimensions and weight of the exhibit. Exhibit display boards should have a portable and moveable base. No exhibits may be staked to the ground for display.
- Top heavy items should be braced or placed in a stand sufficient to prevent it from toppling over while on display.
- Exhibits may not be bound, affixed, attached to the Fair buildings, except by the superintendent, fair staff, or fair extension staff.

- Painting or spot painting is not allowed on projects after arrival on fairgrounds. If wet paint is detected by judges or superintendents, one ribbon placing will be deducted.
- Repair projects having adequate original finish need not be repainted.
- Cutting surfaces, such as blades or knives, are to have a protective covering over them to prevent injury. The covering should be easily removed and reinstalled for judging. Foam “pool noodles” and multiple layers of cardboard are acceptable.
- Display cases for small exhibits, such as knives, are acceptable, and must be easily opened so the item can be removed and examined as part of judging.
- Exhibits that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electrical that is intended to be used to inflict damage and/or harm to individuals, animal life, and/or property.
- If the exhibit is powered by flammable liquids (gas, propane, kerosene, etc.) the fuel tank and lines should be drained and allowed to dry, to avoid spills and potential fires.
- Electric powered (battery, corded, solar, or alternative energy) should have a primary shutoff or disconnect switch.
- If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor’s exhibit, at the judges’ discretion, will receive a deduction in ribbon placement or a participation ribbon.
- The exhibitor’s name(s) and county or district must be tagged or labeled on the display.
- Each exhibitor is required to complete the “4-H Ag Mechanics Exhibit Information Form” which is available through your local K-State Research and Extension office or at <https://welding.engtech4ks.com/> This form must be attached to the outside of a 10” x 13” manilla envelope. Do not tie the envelope to the exhibit. All revisions of all forms previously release for the division dated prior to the current year are void for use and new forms must be obtained and used that are dated by the State 4-H Office for the current year. (Exemption: Display Board).
- Each exhibit information packed should include the following items:
 - Bill of materials for the project with associated costs, scrap items used may be listed as having a \$0.00 cost.
 - 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state.
 - If appropriate schematics or working drawings relating to the creation or repair.
 - If appropriate operating instructions.
- **FOR STATE FAIR:** 4-H member can include a video showcasing the project as well as a walkthrough of any project mechanics.
 - Videos with an accompanying release form (include link) signed by the exhibitor’s parent or guardian may be displayed at the State Fair in the Engineering and Technology exhibit areas.
 - The video must not be more than 8 minutes long and should be included on the USB drive.
- **FOR COUNTY FAIRS:** with consultation judging, it is recommended that the video elements be waived in favor of talking with the exhibitor.

AG MECHANICS WELDING CLASSES

Introductory – Level 1 classes (about 1 to 3 years of experience)

This level is designed for youth with little to no exposure in the project area so that they can gain an understanding of basic principles and methods in the given area.

Beginner Division (ages 7 to 8)

*Class 503 – Welding display board – a 3-foot display board with different pieces of metal attached.

Intermediate Division (ages 9 to 13)

This level is designed for youth with some experience in the project area, allowing them to expand on common principles and methods in the given area.

Class 5560 – Welding ag repair – repair of ag equipment with welding

Class 5561 – Welding ag fabrication – creation of new ag equipment with welding

Class 5562 – Welding general repair – repair of non-ag equipment with welding

Class 5563 – Welding general fabrication – creation of non-ag equipment with welding

Class 5564 – Welding artistic fabrication – creation of artistic or interpretive pieces with welding

Class 5565 – Brazing repair

Class 5566 – Brazing fabrication

Class 5567 – Smithing – A design forged with a least three different formed elements (twists, spirals, and bulbs for example).

Senior Division (ages 14 and older)

This level is designed for youth with vast experience in the project area allowing them to master common principles and methods and expand on advanced techniques in the given area.

Class 5570 – Welding ag repair – repair of ag equipment with welding

Class 5571 – Welding ag fabrication – creation of new ag equipment with welding

Class 5572 – Welding general repair – repair of non-ag equipment with welding

Class 5573 – Welding general fabrication – creation of non-ag equipment with welding

Class 5574 – Welding artistic fabrication – creation of artistic or interpretive pieces with welding

Class 5575 – Brazing repair

Class 5576 – Brazing fabrication

Class 5577 – Smithing – A design forged with at least three different formed elements (twists, spirals, and bulbs for example)

***CANNOT BE EXHIBITED AT THE KANSAS STATE FAIR**

JUDGE MAY SELECTED 1 CHAMPION AND 1 RESERVE CHAMPION FROM AG MECHANICS WELDING LEVEL

PREMIUMS: PURPLE \$1.50/BLUE \$1.50/ RED \$1.25/ WHITE \$1.00

4-H AGRONOMY

4-H AGRONOMY RULES

- 4-H members must be currently enrolled in the Kansas 4-H Agronomy project to exhibit in this division.
- All exhibits must be tagged or labeled according to specific 4-H project rules.
- Limited to 1 exhibit per class, 4 classes total.
- Product must have been grown this year, except soybean seed and edible field bean seed.
- All small grain must be exhibited in a one-gallon clear glass jar with a large opening. A 2 ½ to 3-inch diameter core (Styrofoam or cardboard) can be used in the center of the jar to reduce the amount of grain required. Grain should reach the very top of the jar. Include a lid. Place other exhibits on a firm paper plate or cardboard box.

- Attach completed 4-H label to lid of jar. You MUST specify variety or hybrid on the label.

AGRONOMY CLASSES

Class 2400 – White Corn (10 ears)

Class 2401 – Yellow Corn (10 ears)

Class 2402 – Hybrid Grain Sorghum (10 heads)

Class 2403 – Hybrid Forage Sorghum (entire plant, no roots)

Class 2404 – Other Forage Sorghum (entire plant, no roots)

Class 2405 – Soft Red Winter Wheat (1 gallon)

Class 2406 – Hard Red Winter Wheat (1 gallon)

Class 2407 – Hard White Wheat (1 gallon)

Class 2408 – Sunflower Confectionary Heads (3 heads)

Class 2409 – Sunflower Confectionary Seeds (1 gallon)

Class 2410 – Sunflower Oil Seed Heads (3 heads)

Class 2411 – Sunflower Oil Seed (1 gallon)

Class 2412 – Oats (1 gallon)

Class 2413 – Barley (1 gallon)

Class 2414 – Alfalfa Seed (1 gallon)

Class 2415 – Alfalfa Hay (one 6” thick flake or slice from a rectangular bale tied in two directions, or a 10” section from a round bale).

Class 2416 – Native Grass Hay (10” flake, 6” thick and tied in two directions)

Class 2417 – Brome Grass (1 gallon)

Class 2418 – Other Tame Grass (1 gallon)

Class 2419 – Soybean Seed (1 gallon)

Class 2420 – Soybeans (5 plants)

Class 2423 – Miscellaneous Crops (1 gallon of seed or 10 heads)

Class 2425 – Corn (1 gallon)

Class 2426 – Cool Season Grass (e.g. fescue, etc.): 10” flakes or slice, 6” thick and tied in two directions

Class 2430 – Wheat Variety Plot Display

Class 2440 – Weed Control: Consists of four items:

- Collect, identify, press, mount, and label a minimum of 15 weeds. Try to include their roots, stems, leaves, and flowers. Three of the weeds must be noxious weeds, preferably found in your home county. A standard 9”x12” scrapbook may be obtained in which to permanently mount your weed specimens. Identify the scrapbook with your name and county on the inside front cover.
- Prepare a list of the weeds mounted, showing common name, scientific name, and where it was found. Place the list in a specially identified section of the scrapbook.
- Collect and identify weed seeds found in crop seeds. Mount them for display purposes. Place them in a specially identified section of the scrapbook.
- Write a story on “How We Control Weeds on Our Farm: if you live on a farm. Other members write definite methods used to control weeds. Place the story in a specially identified section of the scrapbook.

JUDGE MAY SELECTED 1 CHAMPION AND 1 RESERVE CHAMPION FROM AGRONOMY

PREMIUMS: PURPLE \$1.75/BLUE \$1.75 / RED \$1.50 / WHITE \$1.25

4-H ASTRONOMY

4-H ASTRONOMY RULES

4-H members must be currently enrolled in the Kansas 4-H Astronomy project to exhibit in this division.

- All exhibits must be tagged or labeled according to specific 4-H project rules.
- Each exhibitor may enter one exhibit pass per class.
- Exhibits must have been completed during the current 4-H year.
- Telescopes entered in this division may be a kit or an original design. Pre-finished telescopes which require no construction are not acceptable exhibits.
- Telescopes are limited to no more than six feet in length. They must be placed on a stationary stand that does not allow the telescope to roll or fall over. The stand cannot extend past two feet in length or width.
- Each telescope exhibit must include a “4-H Astronomy Exhibit Information Form,” which is available through your local K-State Research and Extension office or at <https://astronomy.engtech4ks.com/>. This form must be attached to the outside of a 10”x13” manila envelope. Do not tie the envelope to the exhibit. All revisions of forms previously released for the STEM division dated prior to current year are void for use and new forms must be obtained and used that are dated by the Kansas State 4-H Office for the current year. You must also include construction plans (or a photocopy) for the telescope and place it inside the manila envelope.
- See the last section for full details about exhibiting posters, display boards and notebooks.
- At least two photographs showing telescope construction and operation are required. Photos should be mounted on one side of a 8 1/2x11” page. A brief caption should accompany each photo. Place photos in the 10” x 13” manila envelope. Up to 10 pages of pictures can be included.
- The telescope must be properly assembled and painted with a smooth and uniform finish.
- Telescopes designed by the exhibitor must be original, not a modification of an existing kit.
- Exhibitor’s name, county or district, age, and year(s) in project must be tagged or labeled in a prominent location on the telescope.
- If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor’s exhibit, at the judge’s discretion, will receive a participation ribbon.
- **FOR STATE FAIR** the 4-H member can include a video showcasing their project as well as a walkthrough of any project mechanics.
 - Videos with an accompanying release form signed by the exhibitor’s parent or guardian may be displayed at the state fair in the Engineering and Technology exhibit area.
 - The video must not be more than 8 minutes long and should be included on a USB drive.
- **FOR COUNTY FAIRS** with consultation judging, it is recommended that the video elements be waived in favor of talking with the exhibitor.

ASTRONOMY CLASSES

Class 5500 – Telescope made from a kit

Class 5501 – Telescope made from original design

JUDGE MAY SELECTED 1 CHAMPION AND 1 RESERVE CHAMPION FROM ASTRONOMY
PREMIUMS: PURPLE \$1.50/BLUE \$1.50 / RED \$1.25 / WHITE \$1.00

4-H BUILDING BLOCK ENGINEERING

4-H BUILDING BLOCK ENGINEERING RULES

- 4-H members must be currently enrolled in the Kansas 4-H Building Block Engineering project to exhibit in this division.
- All exhibits must be tagged or labeled according to specific 4-H project rules.
- Each exhibitor may enter one exhibit. Exhibits must have been constructed during the current 4-H year.
- Total exhibit dimensions may not exceed 2 feet high by 2 feet wide by 2 feet deep.
- The minimum exhibit dimensions must be at least 6 inches wide and deep.
- All exhibits should be placed in a sturdy see-through enclosure with a top, bottom, and 4 sides. A clear tub turned upside down with the exhibit placed on the lid would be an acceptable enclosure. It may be desirable to place a cutting board or other hard surfaces between the lid and base plate of the exhibit to make it sturdier. This is to keep exhibit components from being “scattered to parts unknown” at the fair. The outer dimensions of the enclosure do not count towards the total exhibit dimensions but should not be excessive. The entire exhibit should fit in the display enclosure, so the enclosure does not smash into the exhibit during movement.
- All components used in construction should be dust and hair free, clean, free of chips, scuffs, cracks, or broken blocks.
- Gaps or cracks should not be visible between assembled blocks, unless they fit with the story, for example an earthquake.
- The primary building component should be interlocking blocks, commonly referred to by the brand name of Lego.
- Other components can be integrated into dioramas to illustrate architectural aspects that may be difficult to convey with traditional interlocking blocks, for example, marbles for small round objects.
- The use of existing “store bought” sets for major architectural elements of the display is not allowed, use of figurines from sets is allowed as is using individual bricks or small sub-assemblies to create something different than the architectural component of the set it came from. For example, a car hood or front end from a car kits could be used in a “car museum,” just not the entire car. “Store bought” sets should be considered an arts and crafts 3-D entry. The intent of this is to ensure fairness among exhibitors and encourage maximum creativity instead of just following a set of plans.
- Dioramas should be suitably complex and have multiple elements. For example, a camp site that has a log cabin, a tree fort, and a car.
- All dioramas should have a story, which is part of the information pack, that describes what is happening in the dioramas; this can be as simple (the nursery rhyme “Jack and Jill” for example) or complex as needed to explain to someone looking at the exhibit what is happening.
- Vehicles that are intended to stay in a single place should be affixed to base plates with sticky tack, hot glue, or other method.
- Mechanical enhancements or motion elements that add motion to the diorama are acceptable and encouraged. For example, merry-go-rounds, doors, elevators, gears, marbles going down a channel, flapping wings, animatronics, etc. If included judges should be able to use them and instructions should be provided for operation either in the story or on a separate

page. Artistic designs with no architectural design/components are not permitted and two ribbon placings will be deducted.

- Artistic designs, for example, recreating paintings like the “Mona Lisa” or “Starry Nights” and sculptures like “David”, are not permitted as exhibits and one ribbon placing should be deducted. These exhibits should be displayed in Visual Arts.
- The exhibitor’s name(s) and county or district must be tagged or labeled in a prominent location on the display. Additionally, the display case should have the exhibitor’s information attached to both the lid and clear container as the case may be separated from the display.
- Entry of either a packet without an accompanying exhibit or an exhibit without a packet is not a sufficient exhibit.
- Each exhibitor is required to complete the “4-H Building Block Engineering Exhibit Information Form” which is available through your local K-State Extension office or at <https://blocks.engtech4ks.com/> This form must be attached to the outside of a 10” x 13” manila envelope. Do not tie the envelope to the exhibit. All revisions of forms previously released for the division dated prior to current year are void for use and new forms must be obtained and used that are dated by the Kansas State 4-H Office for the current year.
- Each exhibit information packet should include the following items:
 - 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state. Final pictures help in determining where a part might go in case something comes loose.
 - If appropriate, operating instructions for mechanical portions of the diorama.
- **FOR STATE FAIR**, the 4-H member must include a video telling the story of their project as well as a walkthrough of any project mechanics.
 - Videos with an accompanying release form signed by the exhibitor’s parent or guardian may be displayed at the State Fair in the Engineering and Technology Exhibit Area.
 - The video must not be more than 8 minutes long and should be included on the USB drive.
- **FOR COUNTY FAIR** with consultation judging, it is recommended that the video elements be waived in favor of talking with the exhibitor.

BUILDING BLOCK ENGINEERING CLASSES

***Class 504** – interlocking brick diorama built from scratch (beginners – ages 7 to 8)

Class 5710 – interlocking brick diorama built from scratch (intermediate – ages 9 to 13)

Class 5711 – interlocking brick diorama built from scratch (seniors – ages 14 and older)

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM EACH BUILDING BLOCK ENGINEERING LEVEL

PREMIUMS: PURPLE \$1.50 / BLUE \$1.50 / RED \$1.25 / WHITE \$1.00

4-H COMPUTER SCIENCE

4-H COMPUTER SCIENCE RULES

The Kansas 4-H Computer Science System project is designed to allow 4-H members to explore how information is moved from one part of the computer to the other; how information is moved between

the two or more computer systems (networking); how information is stored; or how information is acted on (programming).

- 4-H members must be currently enrolled in the Kansas 4-H Computer Science project to exhibit in this division.
- All exhibits must be tagged or labeled according to specific 4-H project rules.
- The actual construction of computer hardware (for example, building a computer, which would include computer components plugged into a motherboard, discrete circuitry soldered on a printed circuit board, or wire-wrapped circuitry) will be entered in the Electronics Division, except for exhibits entered in Class 5594.
- If a safety violation is noted by the judge, superintendent, or other staff, the exhibitor's exhibit, at the judge's discretion, will be disqualified. A safety violation could include Malware, a virus, or any similar program that potentially is harmful.
- All exhibits in the Computer Science division must be entered on a USB drive containing all supporting documents as listed below for each class.
- The USB drive should be included in a manilla folder with the Computer Exhibit Form (found at <https://computers.engtech4ks.com/> or your local extension office) attached to the front.
- The USB drive should be labeled with the 4-H member's name and county.
- Source code must be included on the USB drive for all computer programming projects coded by the 4-H member. This could include a .txt file, python file, Scratch URL, etc. Failure to include the source code will result in one ribbon deduction.
- Each exhibit must include written operating instructions including how to locate, run, and use the project. Operating instructions should be printed and placed in the manilla envelope and included digitally on the USB drive.
- Each exhibit must be accompanied by a typed requirements document included on the USB drive. See (link) for a template that can be used for documenting requirements.
- The requirements document should be started at the beginning of the project. It will include a list of goals and requirements that the 4-H member wants to include or achieve in their final project.
- The project requirements section is formatted as a checklist, with the 4-H Member checking off what they accomplished and making adjustments throughout their work on the project as needed.
- Flow charts, designs, or other diagrams may be included for computer programs to show the logical flow of the program, as needed.
- For coded computer programs, screenshots of the program will be displayed digitally at the state fair. Screenshots must be included electronically on the USB drive. For county fairs, it is recommended to print screenshots for display at fairs that don't have electronic displays available.
- All electronic components of micro controlled devices must be adequately covered or concealed with a protective disclosure. Paper is NOT considered an adequate enclosure or covering for electrical components.
- **FOR STATE FAIR** the 4-H member must include a video showcasing how to open and run the project as well as a walkthrough of any project mechanics.
 - Videos with an accompanying release form (<https://computers.engtech4ks.com/>) signed by the exhibitor's parent or guardian may be displayed at the state fair in the Engineering and Technology exhibit area.
 - The video must not be more than 8 minutes long and should be included on the USB drive.

- **FOR COUNTY FAIRS** with consultation judging, it is recommended that the video elements be waived in favor of talking with the exhibitor.

COMPUTER SCIENCE CLASSES

Class 5590 – Computer program, application, app, script, or coded system that is new and unique (not merely a file run in a program, such as a ‘word document’ or a picture drawn in ‘Microsoft Paint’).

Class 5591 – Coded website built entirely by the 4-H member (not using a pre-made template generator such as Wix or Squarespace). Items in this class could be coded in HTML, CSS, Javascript, Wordpress, or other web-based programming languages or platforms.

Class 5594 – Microcontroller or microcomputer application – a small circuit board that is programmed to accomplish a specific task (projects built and programmed using Raspberry Pi, Arduino, etc).

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM EACH COMPUTER SCIENCE CLASS

PREMIUMS: PURPLE \$1.50/BLUE \$1.50/RED \$1.25/WHITE \$1.00

4-H ELECTRIC AND RENEWABLE ENERGY

4-H ELECTRIC AND RENEWABLE ENERGY RULES

The Electric/Electronics or Renewable Energy, you will have the opportunity to explore the project areas and share what you have learned.

- 4-H members must be currently enrolled in the Kansas 4-H Electric and Renewable Energy project to exhibit in this division.
- All exhibits must be tagged or labeled according to specific 4-H project rules.
- 4-H members are limited to four exhibits in each class and not more than a total of four exhibits in electricity.
- Exhibit may be made in school in planned and developed with 4-H project in mind.
- A sheet of operating instructions must be furnished for any exhibit not self-explanatory.
- Projects (classed 4600, 4601, and 4602) must be operable using only 110 or 120V AC or battery power. If battery power is required, batteries must be furnished.
- Any project with a complexity of size or electronics must have (a) instructions for assembly and use and (b) equipment available at the time of judging for actual testing of the exhibit.
- No hand dipped solder may be used on exhibits.
- Each exhibit must have a scorecard completed and attached securely. This scorecard is available from your local Extension Office.

ELECTRICAL/ELECTRONICS CLASSES

CLASS 4600 – AC Electric Projects. Electric projects with a 110 or 120 V alternating current (AC) power source. Some project examples are household wiring demonstrations, small appliances extension cords, trouble lights, indoor or outdoor wiring boards, or shop lights. Projects may be a restoration or original construction. The project must be operational and meet minimum safety standards. AC projects must be 110/120 V, no 240 V exhibits are allowed, and must be constructed such that the judges have wiring access to examine the quality and safety of workmanship.

Class 4601 – DC Electric Projects Electric projects with a battery or direct current power source. This class includes electric kits or original projects. This class also includes demonstration DC powered projects. Examples include wiring two- or three-way switches, difference between series/parallel lighting circuits or wiring doorbells switches. All DC electric projects must include batteries supplied by 4- Her. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.

Class 4602 – Electronic. Electronic projects with a battery or direct current power source. This class includes electronic kits or original projects. Examples include radios, telephones, toy robots, light meters, security systems, etc. May be constructed using printed circuit board, wire wrap, or breadboard techniques. Include instruction/assembly manual if from a kit. Include plans if an original project. Projects must be constructed such that the judges have access to examine the quality of wiring workmanship.

Class 4603 – Educational Display or Poster. The purpose of the educational display and exhibit is to educate the viewer about a specific area of the 4-H electrical or electronics project. The display or exhibit should illustrate one basic idea. This class includes any educational displays, exhibits or science fair type projects Page | 53 which DO NOT have a power source, i.e. exhibits, posters or displays of wire types, conduit types, electrical safety, tool or motor parts identification or electrical terminology. Educational displays and exhibits must be legible from a distance of four feet, using a maximum tri-fold size of 3' x 4'.

Class 4604 – Newly built or repaired computers. This class is for newly built or repaired computers (laptop or PC) and allows 4-H members to demonstrate skills integrating the various parts of a computer into a single unit. Displays should show either a fully functional computer or show what the individual components do. The display should be free of dust and cabled neatly. Fully functional computers should boot up and do not need to include a monitor, keyboard, or mouse at the State Fair.

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM ELECTRICS.

PREMIUMS: PURPLE \$1.75 / BLUE \$1.75 / RED \$1.50 / WHITE \$1.25

ALTERNATIVE ENERGY

A form of energy derived from a natural source, such as the sun, geothermal, wind, tides, or waves. Exhibits in these classes are limited to a standard, commercial 3' x 4' tri-fold display board, with items extending no more than 12" from the back of the display board.

ALTERNATIVE ENERGY CLASSES

Class 4620 – Educational Exhibit - An exhibit designed to inform and create awareness by addressing a focused topic related to power generated from a renewable energy source.

Class 4621 – Experiment - Display an experiment addressing a problem or question related to power generated from a renewable energy source. Include hypothesis, background research, variables, a control, data, findings, conclusions & recommendations for future study. Engine should contain no fuel in tank or carburetor.

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM ALTERNATIVE ENERGY.

PREMIUMS: PURPLE \$1.75 / BLUE \$1.75 / RED \$1.50 / WHITE \$1.25

4-H ENTOMOLOGY

4-H ENTOMOLOGY RULES

If you've ever chased butterflies, caught a ladybug for a closer look, or planted a pollinator garden, the entomology project may be a great fit. You'll learn the anatomy of insects; the importance of pollinators, make an insect net; and possibly create an insect collection. Later, you'll study how insects move, learn about insecticides, and explore insect behavior.

- A 4-H member may exhibit in the ENTOMOLOGY COLLECTION NOTEBOOK and/or EDUCATIONAL DISPLAY categories. Within each category, there are classes in Beginning, Intermediate or Advanced phases in which they enroll. An introductory Entomology/Collection Class exhibit is encouraged for county fairs (first year member only.) See class descriptions within categories for requirements. Resources for exhibiting can be found on the Kansas 4-H Entomology project page.
 - 4-H members must be currently enrolled in the Kansas 4-H Entomology project to exhibit in this division.
 - All exhibits must be tagged or labeled according to specific 4-H project rules.
 - All entries must be submitted in a 18x24x3.5-inch wooden display box with a clear plastic top. Boxes can be handmade or purchased as long as they are of the correct size.
 - 4-H members may choose to use one of two taxonomies: as printed in "Insects in Kansas" book or as printed on the "Insects in Kansas Book: 2016 Revised Taxonomy", which follows www.bugguide.net
 - Each exhibitor is required to identify each box with two identification labels bearing exhibitor's name, county, or district, the collection class 4-Her is enrolled in, and statement of taxonomy used: one label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside). Arrange specimens in the box so it can be display lengthwise.
 - The number of orders, specimens (and families were required) must be included on both of the exhibitor's box identification labels. Only one adult insect per species can be used in the collection boxes and notebook classes, unless labeled as male or female and correctly identified.
 - Arrangement of specimens: the preferred method is to arrange the insects in groups or rows parallel to the short sides of the box. Specimens are to be arranged by order in the box, then family, where required.
 - Two labels should be centered on the pin beneath each specimen. First (closest to the specimen) is the common name label and the second label should include date/locality. Full county name, state abbreviation and collector name should be on the second label. Collector's name (or host) on the date/locality label is optional.
 - The specimens should be collected by the exhibitor and should focus on Kansas insects. Insects may be collected from one county into bordering states and labeled accordingly. Please refer to "Entomology Collection Exhibition Resource" for full details on out-of-state insects in collections.
 - Only specimens of the class insect should be included.
 - Purchased insects are not to be exhibited in collections, but they may be used in educational displays.
 - Specimens of soft body insects such as aphids, lice, termites, etc. should be exhibited in alcohol filled vials; however, the use of alcohol filled vials should be

limited to only specimens that lose their shape when pinned, since the vials pose a significant hazard to the rest of the collection if they become loose in transit.

- Any major violation of rules will result in the exhibit being dropped one ribbon placing. Examples would include, but are not limited to incorrect display box size, missing paperwork, feet on display boxes, no special project in notebooks, etc.
- After the first year in Entomology, all 4-H members need to add an 8 ½ x 11-inch sheet of paper to their collection that states what they did to improve their collection for the current year. This should include how many new insects were added to the display box (please list), how many insects were replaced in the display box (please list), and number of new orders and/or families were added to the display box. Other optional things that could be included are number of insects caught for the year, number of new orders added this year, number of talks and/or demonstrations given, activities participated in, leadership roles, etc. This paper should be taped to the upper left corner on the front of your display box.

COLLECTION CLASSES

***Class 200** – New Collector Exhibit: 4Hers may participate for 1 to 2 years. Display boxes may consist of 1 to 2 small cigar boxes without lids and covered with clear plastic wrap. A standard display box may also be used. Number of species – 15 minimum, 30 maximum. Number of orders – 6 minimum. Labels to the insect orders are required and must be pinned to the bottom of the boxes.

Class 4900 – Beginning I Entomology Exhibit: Display in one standard box a minimum of 50 and maximum of 125 species representing at least 7 orders. Follow the guidelines listed for Collections. Members can exhibit in this class a maximum of 3 years, or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

Class 4901 -Beginning II Entomology Exhibit: Display in one standard box a minimum of 75 and maximum of 150 species representing at least 9 orders. Follow the general guidelines listed for Collections. Members can exhibit in this class a maximum of 3 years, or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

Class 4903 - Intermediate Entomology Collection: Display a minimum of 100 and a maximum of 300 species representing at least 10 orders. Two standard boxes can be used. Follow the general guidelines listed for Collections. In addition, family identification is required for all insects in any two of the following six orders: (Only two will be counted for judging)

- “Insects in Kansas” book - Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and /or Diptera or
- “Insects in Kansas Book: 2016 Revised Taxonomy,” which follows www.bugguide.net
- Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and /or Diptera. Members can exhibit in this class a maximum of 3 years. A 4-Her may move up if they receive a purple ribbon.

Class 4905 – Advanced Entomology Collection: Display a minimum of 150 and a maximum of 450 species representing at least 12 orders. Three standard boxes can be used. Follow the general guidelines listed for Collections. Family Identification is required for all insects belonging to the six basic orders as outlined under the intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. On a piece of paper list what you did to improve your collection during the current year. Examples: what insects did you add or replace; what orders and/or families you added; what Leadership you provided in this project; and/or what insects you have studied. Attach paper to the back of one of the display boxes. Members may continue to exhibit in this class at the Kansas State Fair for an unrestricted number of years as long as they remain eligible for 4-H membership.

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM EACH ENTOMOLOGY COLLECTION CLASS.

PREMIUMS: PURPLE \$1.75/BLUE \$1.75/RED \$1.50/WHITE \$1.25

ENTOMOLOGY NOTEBOOK CLASS RULES

Individual entries are to be placed for display in a three-ring notebook for competition.

- During the transition, Orders & Family names should follow the taxonomy either 4-H'ers may choose to use one of two taxonomies: as printed in "Insects in Kansas" book or as printed on the "Insects in Kansas Book: 2016 Revised Taxonomy," which follows www.bugguide.net
- 4-Hers who have been previously enrolled in or are currently enrolled in the other phases of the Entomology project need to start with the Beginner Phase of Entomology Notebooks, not the introductory phase.
- Each exhibitor is required to identify the notebook by placing a Title Page in the front of the notebook bearing the exhibitor's name, county, or district and class 4-H member is enrolled in and statement of taxonomy used:
 - Option A: "Insects in Kansas" book or
 - Option B: Which follows www.bugguide.net
- The number of orders, specimens, and families (required in intermediate and advanced classes. Must also be included on the Title page).
- Specimen pages should be group according to order and should include one page per species. If more than one insect is in the photo, an arrow to indicate identified insect should be used.
- Date, common name, full county name, and state abbreviation should be included for each species. Collection's name on the specimen page is optional.
- Specimen pages should have two different views of the insect if possible. If pictures are taken on different dates/locations, include information for both.
- A statement describing the habitat where found/hose plant may be included and is encouraged and will be worth a bonus 10 points total, not per page. For intermediate and advanced notebooks, this is strongly encouraged.
- A divider page is to be placed in front of each order of insects with the order name printed on the tab for a page and also on front of the divider page.
- For the intermediate and advanced classes, insects also are to be grouped by family behind each order divider.
- If the exhibitor has been in the same class for more than one year, a separate sheet of paper needs to be added stating how many years the exhibitor has been in this class of the project and what the exhibitor did this year to improve their notebook. Place the paper just behind the Title Page in the front of the notebook.
- A special project must be completed each year and included in the notebook. See project guideline materials for specification.
- Any major violation of rules will result in the exhibit being dropped one ribbon placing. Examples would include, but are not limited to incorrect photo size, missing paperwork, no special project in notebooks, etc. Specimen pages should have two different views of the insect if possible. If pictures are taken on different dates/localities, include information for both.

NOTEBOOK CLASSES

Class 4907 – Introductory Entomology Notebook: Display a minimum of 10 and a maximum of 30 insect species representing at least 6 different orders. Follow the general guidelines listed for Notebooks,

including the Special project. A 4-H member must be of minimum age to compete at the Kansas State Fair. A 4-H member may exhibit in this class for a maximum of two years.

Class 4908 – Beginning I Entomology Notebook: Display a minimum of 20 and a maximum of 60 insect species representing at least 7 different orders. Follow the general guidelines listed for all Notebooks, including the Special Project.

Class 4911 – Beginning II Entomology Notebook: Display a minimum of 40 and a maximum of 70 insect species representing at least 8 different orders. Follow the general guidelines listed for all Notebooks, including the Special project. Members can exhibit in this class for a maximum of 3 years or until they received a purple ribbon at the Kansas State Fair.

Class 4909 – Intermediate Entomology Notebook: Display a minimum of 60 and a maximum of 100 species representing at least 9 orders. Follow the general guidelines listed for Notebooks, including the Special Project. In addition, family identification is required for all insects in any two of the following six orders. (Only two will be counted for judging.)

- “Insects in Kansas” book - Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and /or Diptera or
- “Insects in Kansas Book: 2016 Revised Taxonomy,” which follows www.bugguide.net
- Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and /or Diptera.

Class 4910 – Advanced Entomology Notebook: Display a minimum of 100 and a maximum of 200 species representing at least 12 orders. Follow the general rules listed for Notebooks, including Special project. Follow the general guidelines listed for Notebooks. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining ordered is optional, but desirable as long as accuracy is maintained. Members may continue to exhibit in this class for an unrestricted number of years as long as they remain eligible for 4-H membership.

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM EACH ENTOMOLOGY NOTEBOOK CLASS.

PREMIUMS: PURPLE \$1.75/BLUE \$1.75/RED \$1.50/WHITE \$1.25

EDUCATIONAL DISPLAY CLASSES

- Share with others what you learned in this project. Exhibit any activity or learning experience related to the field of entomology or the Teaming with Insects curriculum that does not fit into Entomology Collection or notebook classes above.
- Follow copyright laws as explained in the General Rules.
- The exhibit may be, but isn't limited to, original works, digital presentations (must provide printed hardcopy for exhibit purposes for duration of state fair), programs, websites, games, apps, display box, notebook, display, or poster which you have made.
- If the exhibit is a wood display box, it must be 18x24x3.5 inches with a clear plastic top (such as plexiglass) and displayed horizontally. If the exhibit is a poster, it must not be larger than 22" x 28". If the exhibit is a display, maximum size is not to exceed a standard commercial 3' x 4' tri-fold display board.
- Name and county/district must be clearly marked on educational exhibits.
- Any major violation of rules will result in the exhibit being dropped one ribbon placing. Examples would include, but are not limited to incorrect display box size, missing paperwork, feet on display boxes, no special project in notebooks, etc.

Class 4902 – Beginning Educational Exhibit: Class for individuals that are exhibiting in the Beginning I and II Collection or Beginning Notebook Classes. If only exhibiting in this category, then ages 9-12.

Class 4904 – Intermediation Educational Exhibit: Class for individuals that are exhibiting in the Intermediate Collection or Intermediate Notebook Classes. If only exhibiting in this category, then ages 11-14.

Class 4906 – Advanced Educational Exhibit: Class for individuals that are exhibiting in the Advanced Collection or Advanced Notebook Classes. If only exhibiting in this category, then ages 13 and older.

PREMIUMS: PURPLE \$2.25 / BLUE \$2.00 / RED \$1.50 / WHITE \$1.00

MONARCH BUTTERFLY EDUCATIONAL DISPLAY

- Exhibits should teach the public about the Monarch Butterfly and/or ways to protect and conserve it. The information could show nectar sources for adult butterflies and food sources for caterpillars. Monarch tagging activities, collection of native milkweed, and then package it to give to others to plant, a group working together to plant a Monarch friendly garden, etc.
- 4-H members may create a poster, notebook, standard size tri-fold, diorama, slide show, or other visual display that shows information on Monarch Butterflies.
- If a slide show is created, it should be presented on a zip drive along with a printed copy of the presentation.

MONARCH BUTTERFLY EDUCATIONAL DISPLAY CLASSES

Class 4920 – Beginning Monarch Butterfly Educational Display Class: for 4-H members enrolled in Beginning I or II Entomology.

Class 4930 – Intermediate Monarch Butterfly Educational Display Class: for 4-H members enrolled in Intermediate Entomology.

Class 4940 – Advanced Monarch Butterfly Educational Display Class: for 4-H members enrolled in Advanced Entomology.

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM EACH MONARCH BUTTERFLY.

PREMIUMS: PURPLE \$1.75/BLUE \$1.75/RED \$1.50/WHITE \$1.25

4-H FIBER ARTS

4-H FIBER ARTS RULES

Fiber Arts is defined as the practical skills passed down from preceding generations that were developed to provide basic family needs, such as apparel, home furnishings, or decorations.

- 4-H members must be currently enrolled in the Kansas 4-H Fiber Arts project and can only exhibit in classes that correspond with the specific Fiber Arts projects you are enrolled in. Limit of 4 entries per class, plus one educational exhibit per class.
- Articles that are part of a set should be entered as one exhibit and fastened together with yarn, safety pin, or other means. Examples of a set are crocheted baby sweater and cap, identical woven place mats, identical embroidered napkins, etc.
- Identification label:
 - Type or print on a 3"x2 1/2" piece of cloth: class number, county or district, and exhibitor's name.
 - Sew or safety pin this ID label on the corner of the flat articles.
 - For garments, attach ID label to the front left shoulder seam, or left side of waistband, as if you were wearing the garments.

- When articles, which are normally work as a pair, are exhibited, both articles must be shown together. Fasten articles together securely with yarn.
- When the exhibit is a sewn garment that also includes one or more Fiber Art techniques (i.e. knitting, crocheting, needle arts, or patchwork and quilting), the determination of what division (Clothing or Fiber Arts) and class in which to enter will be left with the 4-H participant.
- All exhibits which need to be hung MUST have the appropriate saw tooth hanger, rod, wire, or other mechanism attached in order to be properly displayed. If necessary, hardware is not attached, it may not be displayed.
- Fiber Arts Educational Notebook – share with others what you learned in this project about a particular Fiber Art. Exhibits should be in the form of a notebook or binder. The notebook should include a narrative section describing the fiber art. It should include a clear description of the project, technique, budget, supplies, goals, accomplishments, successes, failures, and future plans. It may include samples of techniques, how-tos, photographs of completed projects, or other ways of educating others about fiber arts.

NOTE: A collection of brochures, web pages, patterns, record book forms, etc., does not constitute an educational notebook. Follow copyright laws as explained in the General Rules as you are preparing your exhibit. Name, local unit, and fiber art covered must be clearly marked in the notebook.

FIBER ARTS CLASSES

Class 4111 – Crochet: an article or set, including felted items

Class 4112 – Knitting: an article or set (can be made either by hand or on a knitting machine), including felted items

Class 4113 – Needle Arts: an article or set created by hand by any of the following techniques: embroidery, cross-stitch, needlepoint, candle wicking, crewel, lacework, or applique.

Class 4114 – Patchwork and Quilting: an article or set. It is acceptable for the 4-H member to create the patchwork item and have someone else quilt it, or to have it professionally quilted.

Class 4115 – Rug Making: a rug

Class 4116 – Spinning: a skein of yarn

Class 4117 – Weaving: an article or set

Class 4118 – Ethnic Arts: an article, including felted items

Class 4119 – Macrame

Class 4120 – Fiber Arts Educational Notebook: Share with others what you learned in this project about a particular Fiber Art. Exhibits should be in the form of a notebook or binder. The notebook should include a narrative section describing the fiber art. It should include a clear description of the project, technique, budget, supplies, goals, accomplishments, successes, failures, and future plans. It may include samples of techniques, how-tos, photographs of completed projects, or other ways of education others about fiber arts.

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM FIBER ARTS CLASS.

PREMIUMS: PURPLE \$1.75 / BLUE \$1.75 / RED \$1.50 / WHITE \$1.25

4-H FOODS AND NUTRITION

4-H FOODS AND NUTRITION RULES

In this project, you will have fun learning how to cook the basics. Develop baking skills, learn about food preservation, and how to make healthy snacks and modify recipes.

- 4-H members must be currently enrolled in the Kansas 4-H Foods and Nutrition project to exhibit in this division.
- All exhibits must be tagged or labeled according to specific 4-H project rules.
- Attach label to bottom of plate or cardboard, include the following: class number, food product name, 4-H member's name, and county or district.
- The exhibitor is encouraged to attach a 3" x 5" index card with the entry card in all food classes to give the judge any information which the exhibitor thinks would be helpful for the judge to know.
- 4-H members may exhibit up to 4 different baked products and 1 food gift package. All products must be made from scratch, no mixes allowed. Number of years in the project should be reflected in the difficulty of the food item prepared.
- Complete recipes with ingredients and instructions must be attached with the entry, or the placing will be lowered one ribbon when judged.
- For food safety purposes, any food with custard and dairy-based fillings and frostings (ex: cream cheese), raw eggs, flavored oils, "canned" bread, or cakes in a jar, cut fresh fruit, or any food requiring refrigeration (ex: bacon) or unbaked exhibit with raw flour (ex: no bake cookies) will be disqualified.
- Alcohol (ex: wine, beer, and hard liquor) is not allowed as an ingredient in food entries. Entries with alcohol will be disqualified and not be judged.
- All baked goods must be left whole and uncut. Small items, such as cookies and rolls, should be the same shape and from the same recipe. Exhibit 3 cookies, 3 muffins, 3 bread sticks, 1 loaf bread, etc.
- Under baked entries will be lowered one more ribbon placings.
- All un-frosted cakes should be exhibited in an upright position with crust showing. The exception is for cakes made with special designs, such as bundt cakes. They should have top crust side down.
- Any baked product that can be removed from the pan should be placed on a plate, covered cardboard, or disposable container of appropriate size for the exhibit.
- Exhibits should be in food grade plastic bags, disposable plastic container, or boxes of appropriate size for the exhibit. Only the exhibit is judged. The container is not judged.
- The champions and reserves of each age division are eligible for participation in the foods auction. The participant would need to make a fresh product to be given to the winning bidder by Friday evening of the fair.

FOODS AND NUTRITION CLASSES

Beginner (ages 7 to 8)

***Class 301** – Non-Perishable Food Product

Suggested products, but not limited to:

- Popcorn snack (1 cup)
- Nutritious Cereal Snack (1 cup)
- Muffins, 3, from a mix, do not use paper liners. Bring mix instructions
- Muffins, 3, from scratch, do not use paper liners
- Cupcakes, 3, from a mix, frosted or unfrosted, paper liners may be used. Bring mix instructions.
- No-bake cookies

Junior (ages 9 to 11)

Class 4302 – Non-Perishable Food Product

Suggested products, but not limited to:

- Loaf Yeast Bread, white, 9” x 5” loaf size
- Loaf Yeast Bread, whole wheat, 9” x 5” loaf size (eligible for special award)
- Loaf Yeast Bread, any type, made with bread machine
- Loaf Yeast Bread, any type, dough made with bread machine, shaped, and baked traditionally
- Variety Yeast Bread (examples: yeast coffeecake, 3 dinner rolls, 3 cinnamon rolls)
- Variety Yeast Bread, dough made with bread machine, shaped, and baked traditionally
- Loaf Quick Bread, 9” x 5” or 7” x 3” loaf size
- Quick Bread, 8” or 9” square or round (examples – gingerbread, coffeecake, Boston brown bread)
- Muffins, 3, made from scratch, do not use paper liners
- Rolled Cookies, 3
- Cake, 1, 8” or 9”, round or square, unfrosted

Seniors (ages 15 and older)

Class 4304 – Non-Perishable Food Product

Suggested products, but not limited to:

- Layer Cake, 1 or 2 layers, 8” or 9” round or square
- Angel Food or Sponge Cake or 3 Angel Food or Sponge Cupcakes, unfrosted
- Specialty Yeast Bread (examples – onion flatbread, Armenian Thin Bread, 3 bread sticks)
- Fruit Pie, 2-crust in disposable pan

***CANNOT BE EXHIBITED AT THE KANSAS STATE FAIR**

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM EACH FOODS CLASS.

JUDGE MAY SELECT HONORABLE MENTION FROM EACH FOODS CLASS.

PREMIUMS: PURPLE \$1.50/BLUE \$1.50/ RED \$1.25/ WHITE \$1.00

4-H FOOD PRESERVATION

FOOD AND PRESERVATION RULES

- 4-H members be currently enrolled in the Kansas 4-H Food Preservation project to exhibit in this division.
- Each jar exhibited must be labeled. The label must not cover brand name of jar. The label must give class number, product, altitude where processed, canning method (water bath, weighted gauge, or dial gauge pressure method), process time, pressure (psi), date processed including month and year, name, and county or district.
- 4-H members may exhibit 1 jar per class, not to exceed 3 total exhibits. Products must have been preserved during the current 4-H year.
- Recipes and processing methods from the sources below are recommended. Recipes must be from current, tested resources listed below AND MUST BE ADJUSTED FOR ALTITUDE based on your processing location or it will be disqualified. Processing methods that will be disqualified include open kettle-canning, oven canning, sun canning, and using electric multi-cookers. Tested recipe resources include:
 - K-State Extension Food Preservation publications
 - Other University Extension Food Preservation publications
 - USDA Complete Guide to Home Canning @2015
 - So Easy to Preserve, 6th Edition, The University of Georgia Cooperative Extension Service

- Ball Blue Book Guide to Preserving, Edition 38
 - All New Ball Book of Canning and Preserving, @2024
 - Ball Complete Book of Home Preserving
 - Canning Mixes (i.e. Mrs. Wage's, Ball)
 - Pectin manufacturers (i.e. Sure-Jell, Ball)
 - <https://www.rrc.k-state.edu/preservation/recipes.html>
 - <https://nchfp.uga.edu/>
- Alcohol is not allowed as an ingredient in food preservation entries. Entries with alcohol in the recipe will be disqualified and not be judged.
 - Each exhibit must have the complete recipe and instructions attached with the entry card, or it will be disqualified. Recipe must include exhibitor name, recipe source, date of publication, and altitude, where food was processed. If using Mrs. Wage's or Ball mixes, indicate the date the mix was purchased.
 - Exhibits must be processed in clean, clear standard canning jars, with matching brand (ex: use Ball lids on Ball jars, or Kerr lids on Kerr jars, etc.) two-piece lids. Do not use colored jars, fancy padded lids, fabric over wraps or cozies as they interfere with the judging process. No fancy packs unless recipe states to do so (ex: pickled asparagus). Jars must be sealed when entered. For food safety reasons, the size of jars used most not be larger than the just size stated in the recipe (ex: Salsa is canned in pint jars only, no quarts). Note: there are 12-ounce, 24-ounce, and 28-ounce canning jars available and may be used. Use pint jars process recommendations for 12-ounce jars. Use quart jar process recommendations for 24-ounce and 28-ounce jars.
 - Classed 4350-4355 will require one jar for each class.
 - If dried food product is not in a canning jar, it will be lowered one ribbon rating. Suggested amount: 1/3 – 1/2 cup, or three or four pieces per exhibit. All meat jerky must be heated to an internal temperature of 160 degrees F before or after drying. This is not the drying temperature! Dried products must include the recipe, preparation steps, and heating instructions. Jerky not heated to an internal temperature of 160 degrees F will be disqualified and not be judged. Heating information can be found in "Dry Meat Safely at Home."

FOOD PRESERVATION CLASSES

Class 4350 – Sweet spreads and syrups

Class 4351 – Fruits and Juices

Class 4352 – Low-Acid Vegetables (green beans, corn, etc.)

Class 4353 – Pickles and Relishes

Class 4354 – Tomato/Tomato Products

Class 4355 – Canned Meat, 1 jar

Class 4356 – Dried Foods – one small jar

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM FOOD PRESERVATION

PREMIUMS: PURPLE \$1.50/BLUE \$1.50 / RED \$1.25/ WHITE \$1.00

OTHER FOOD EXHIBIT RULES

- 4-H members must be currently enrolled in the Kansas 4-H Other Food project to exhibit in this division.
- All exhibits must be tagged or labeled according to specific 4-H project rules.

- Educational Exhibits may be in the form of a poster, notebook, or display. Follow copyright laws as explained in the General Rules as you are preparing your exhibit. Take care to select materials that will withstand State Fair conditions. No card table displays are allowed. If the exhibit is a poster, it must not be larger than 22" x 28". Displays are not to exceed a standard commercial 3' x 4' tri-fold display board. Name and county or district must be clearly marked on educational exhibits. The educational exhibit evaluation form will be provided at judging time. NOTE: A collection of your favorite recipes in a recipe box or notebook does not constitute an educational exhibit.
- Food Gift Package must contain at least 3 different food items, prepared by the 4-H member, in a suitable container no larger than 18" x 18" x 18". Prepared food items must have recipes attached with the entry. Additional homemade food items beyond the 3 minimum or purchased items may also be included. On the back of the entry card answer these questions: a). What is the intended use; b). What food safety precautions were taken during and after preparation. This entry will count as a non-perishable food exhibit, not an educational exhibit. No alcoholic beverages will be accepted. Home canned foods must follow Home Preservation rules. Canning jars should not be used for baking per manufacturer's instructions. They could break during baking.
- Bring food to judging.

OTHER FOOD EXHIBIT CLASSES

***Class 334** – Educational Food Exhibit, 7 to 8 years old

Class 4301 – Educational Exhibit, 9 to 11 years old

Class 4303 – Educational Exhibit, 12 to 14 years old

Class 4305 – Educational Exhibit, 15 to 18 years old

***Class 4306** – Food Gift Package

***CANNOT BE EXHIBITED AT THE KANSAS STATE FAIR**

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM EACH OTHER FOOD CLASS

PREMIUMS: PURPLE \$1.50/ BLUE \$1.50/ RED \$1.25/ WHITE \$1.00

4-H FORESTRY

4-H FORESTRY RULES

Learn to identify trees, determine differences between trees and shrubs, learn about different trees and tree parts, graft a bud to a living tree, discover health benefits of trees, investigate forest changes, and learn about forest health and learn forest conservation techniques.

- 4-H members must be currently enrolled in the Kansas 4-H Forestry project to exhibit in this division.
- All exhibits must be tagged or labeled according to specific 4-H project rules.
- Each member may enter up to two exhibits in 4-H Forestry but only one entry per class. Participants can exhibit in a collection phase and one other class., 5104-5109, or they may exhibit in any two non-collection classes, 5104-5109.
- All leaf exhibits are to be mounted on 8 ½" x 11" heavy stock paper and placed in loose leaf binders. (Magnetic or adhesive filler sheets for photographic prints or sheet protectors are recommended). Twigs and fruit collections may be exhibited in whatever manner you choose (maximum trifold size is 3' x 4'). Resources for exhibiting are located on the Kansas 4-H Forestry project page.

- Name, club, age, and year in project should be on front cover or in a prominent location.
- Leaves should be identified with an appropriate label located near the leaf on the same page. These labels should include (1) the proper common name as listed in the 4-H Bulletin 334, "List of Native Kansas Forest Trees"; (2) location (city and/or county) where collected; and (3) date (day, month, year) or (month, day, year) collected.
- Divide specimens into the following two sections: Native Kansas Trees, and Non-Native Trees.
- Group specimens according to the years collected (ex: "old-previous years" and "new").
- New specimens are those collected during the current year. They cannot be a duplicate species of a previous specimen.
- Variations of varieties do not count as different species or specimens.
- When replacing previously displayed samples, due to degradation, improper mounting, or incorrect identification, the specimen label must also be updated. Replacements do not count as new specimens. Replacements should be displayed in the "old previous" section of the display.
- If you retrieve information for your forestry exhibit, you must include a reference citation to the source.
- In all leaf collections, exhibit one complete leaf where possible. If leaf is too large, exhibit as much as possible. Sketch in reduced scale the entire leaf and illustrate where the exhibited portion is from. Note: A "leaflet" is incorrect when displayed as the complete leaf for the tree.
- All work must show originality. Leaf collections and displays should not closely resemble work done by others in the same club.

FORESTRY CLASSES

Knowing Trees as Individuals (Leaf Collections**)

Class 5100 – Forestry Collection (Choose either A or B): Only those exhibiting for the first time at the State Fair may enter this class.

- Exhibit a minimum of 10 different leaves from native Kansas trees collected within the year. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees. OR
- Exhibit a minimum of 5 native Kansas trees showing leaf, twig, and fruit from each species collected.

Class 5101 – Forestry Collection (Chose either A or B): This class is open to those exhibiting either for the first or second time at the State Fair.

- Exhibit a minimum of 20 different leaves (including 10 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees. OR
- Exhibit a minimum 10 native Kansas trees showing leaf, twig, and fruit from each species collected. This exhibit must include 5 new leaf, twig, and fruit specimens.

Class 5102 – Forestry Collection (choose either A or B): This class is open to those exhibiting either for the third or fourth time at the state fair.

- Exhibit a minimum of 30 different leaves (including 10 new specimens) from native Kansas trees. Exhibit can include non-native Kansas leaves in addition to the required number of leaf specimens collected from native Kansas trees. OR
- Exhibit a minimum of 15 native Kansas trees showing leaf, twig, and fruit from each species collected. This exhibit must include 5 new leaf, twig, and fruit specimens.

Class 5103 – Forestry Collection (choose either A or B): This class is open to those exhibiting either for the fifth time or more at the State Fair.

- Exhibit a minimum of 40 different leaves (including 20 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens collected from native Kansas trees. OR
- Exhibit a minimum of 20 native Kansas trees showing leaf, twig, and fruit from each species collected. This exhibit must include 10 new leaf, twig, and fruit specimens.

HOW A TREE GROWS

Class 5104 – Notebook: Entry may include a project notebook with 10 or more seeds collected with pictures showing a germination study OR a mounting of a thin section of wood cut from the end of a log or top of stump labeled with information such as kind of wood and age of tree when cut OR exhibit an illustration of a how a tree grows.

TREE APPRECIATION CLASS

Class 5105 – Notebook: Entry may include a research or reporting notebook with no more than 10 pages based on the exhibitor’s selected tree. Exhibit must be a different species of tree each year. This notebook may include sketches, drawings, pictures, a story, or any other things which will help tell about the tree you selected.

GROWING AND PROTECTING TREES CLASS

Class 5106 – Display/Notebook: Entry requires a display or project notebook, telling about project and pictures before, during, and after planting seedlings, a container tree, or a balled and bur lapped tree. Maximum tri-fold size is 3’ x 4’.

TREE CULTURE CLASS

Class 5107 – Display/Notebook: Entry requires a display or project notebook, showing your project work and includes pictures of before, during, and after wood lot improvement. Maximum tri-fold size is 3’ x 4’.

HOW FORESTS SERVE US CLASS

Class 5108 – Entry may include collected wood samples (all or partial) and 2-page essay. Wood sample display to be mounted on poster board or any still material no larger than a 3’ x 4’ trifold. Essay should be displayed in a covered binder.

EDUCATIONAL/CREATIVE EXHIBIT CLASS

Class 5109 – Entry must be directly related to tree identification or Forestry. Type of exhibit is open (notebook, poster, collection box, etc.) given a maximum tri-fold size of 3’ x 4’. Care should be taken to use durable materials that will withstand Fair conditions. This is a good class to exhibit an unusual collection.

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM FORESTRY.
PREMIUMS: PURPLE \$1.50/BLUE \$1.50/ RED \$1.25/ WHITE \$1.00

4-H GEOLOGY AND LAPIDARY

4-H GEOLOGY AND LAPIDARY RULES

In this project, you will learn the difference between rocks and minerals, learn how to identify fossils, describe, and identify rocks, understand stages of the rock cycle, and use the scientific method to solve problems.

- 4-H members must be currently enrolled in the Kansas 4-H Geology project to exhibit in this division.

- All exhibits must be tagged or labeled according to specific 4-H project rules.
- The exhibit box should be 18" x 24" x 3 ½". Plexiglass covers are required. Boxes with glass covers WILL NOT be accepted. All specimens are to be arranged across the narrow (18") dimension of the exhibit box, making the exhibit 18" across the top and 24" deep exactly. If a box has a sliding Plexiglass cover, it must be removable from the top. Screws, locks, or other devices that would prevent judges from removing the cover should not be used. For Lapidary classes 5300-5304 only, the dimensions of the box should be appropriate for the display but should not exceed 18" x 24" x 3 ½".
- Each exhibitor is required to identify each display box by placing an identification label bearing name, county, or district, and number of specimens in the upper left-hand corner of the Plexiglass cover (inside-use clear double-sided tape to adhere gummed labels), and by attaching a label with the same information on the lower right corner of the box (outside).
- Exhibitor may enter in both geology and lapidary classes. Exhibitor may show in only one of the first four geology classes (5200, 5201, 5202, or 5203). Exhibitory may also show in geology class 5204 (special exhibit), 5205 Mineralogy, 5206 Fossils, and in one lapidary class.
- Geology specimens should be labeled with the number of the specimen, date collected, specimen name or description, and locality (county only) where collected.
- For the geology classes 5200, 5201, 5202, and 5203, specimens should be mounted in the box by proper groups: rocks, minerals, and fossils. Fossils must be identified to the Phylum, Class, and Genus level. Genus's name is to begin with a capital letter. Species name is all lower class. Genus and species names must either be italicized or underlined, not both. The words "phylum, class, genus" on labels are to be spelled out, not abbreviated. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited is this duplication represents different geological formations. Specimen label must show this distinction (Fort Hays limestone, not just limestone; calcite from the Greenhorn Formation, not just calcite; Phylum: Brachiopoda Class: Articulate Genus: Composita from the Morrill Limestone Member, not just Phylum: Brachiopoda Class: Articulate Genus: Composita).
- For geology classes 5200, 5201, 5202, 5203, 5205, and 5206 all specimens must be collected by the participant (not purchased) from locations in Kansas, with the exception of Tri-State Mining Area specimens collected from these three adjacent counties: Ottawa County, OK; Newton and Jasper Counties, MO. Other out of state specimens will not count in the minimum number for the class, nor will they be considered in the judging.

GEOLOGY CLASSES

Class 5200 – Geology– At least 15 different rocks, minerals or fossils collected during the current 4-H year. Limited to 1 exhibit box with plexiglass cover. Only those at the state fair exhibiting for the first time may enter this class.

Class 5201 – Geology– Display at least 30 different rocks, minerals, or fossils, at least 5 of each. Fifteen must be collected during the current 4-H year. Exhibitor is limited to one exhibit box. This class is open to those exhibiting either first or second time at State Fair.

Class 5202 – Geology– Display at least 45 rocks, minerals, or fossils, at least 5 of each. Fifteen must be collected during the current 4-H year. Exhibit limited to two boxes. This class is open to those exhibiting either the third or fourth time at the State Fair. Identify the rocks as igneous, metamorphic, or sedimentary. These rock types must be spelled out on labels or have a legible key.

Class 5203 – Geology Display at least 60 rocks, minerals, or fossils, at least 5 of each. Fifteen must be collected during the current 4-H year. Exhibit limited to two boxes. This class is open to those exhibiting the fifth time or more at the State Fair. Identify the rocks as igneous, metamorphic, or sedimentary. These rock types must be spelled out on labels or have a legible key.

Class 5204 – Geology – Educational Exhibit – Exhibit relating to everyday living; or to a mineral test, a rock formation, geological history, species of a fossil, forms of one mineral, a variation of one kind of rock, archaeological artifacts, or Indian artifacts. Digital formats are accepted. Please make arrangements for the judge to view your exhibit and have a hard copy for display. It is encouraged to: list your sources used (example – web addresses or books reviewed as a citation list). Exhibit limited to 4 feet of table space. Care should be taken care to use durable materials that will withstand State Fair conditions. Exhibitor may show in the class regardless of number of times he or she has exhibited at State Fair or whether exhibitor has entries in classes 5200, 5201, 5202, or 5203. **NOTE:** Exhibitor may also exhibit in lapidary class.

Class 5205 – Mineralogy - Display a minimum of 15 mineral specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. The minerals are to be grouped by mineral class (i.e.: Carbonates, Oxides, Silicates) and at least 3 classes must be represented. The member must use one standard display box (see #1). The specimens must be labeled with the number of the specimen, date collected, name of specimen, county where collected and chemical composition (i.e.: CaCO₃ for calcite), if known.

Class 5206 – Paleontology - Display a minimum of 15 fossil specimens collected by the participant in Kansas, at least 5 of which have been collected during the current 4-H year. The fossils are to be grouped by Phylum and Class, and at least 3 phyla must be represented (Brachiopoda, Chordata, Mollusca, etc.) The member must use one standard display box (see #1). The specimens must be labeled with the number of the specimen; date collected; county where collected; formation, member, or source; phylum, class, and genus or part; and geologic age (Cretaceous, Permian, Pennsylvanian, etc.) See #5 for additional fossil labeling expectations.

Class 5207 – Petrology - Display a minimum of 15 rock specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. Rocks are to be grouped by the 3 rock classes (Sedimentary, Igneous, and Metamorphic). You must display at least one specimen from each of the three classes. The specimens must fit in one standard display box. Specimen labels must include a specimen number, the date collected, name of specimen, and the county where collected. All rocks must be identified by the formation and member name (Examples: Fort Hays Limestone, Member of the Niobrara Chalk Formation) or source (Examples: Rocky Mountain Outwash, glacial till).

***Class 211** – Display of specimens found this year. MAY BE EXHIBITED IN ANY PLEASING MANNER SUCH AS A DIVIDED COMPARTMENT BOX OR REGULATION GEOLOGY BOX. Exhibit should be labeled with specimen names, location found, and date collected.

***CANNOT BE EXHIBITED AT THE KANSAS STATE FAIR**

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM EACH GEOLOGY CLASS.

PREMIUMS: PURPLE \$1.75 / BLUE \$1.75 / RED \$1.50 / WHITE \$1.25

LAPIDARY

- 4-H members must be currently enrolled in the Kanas 4-H Lapidary project to exhibit in this division.
- All exhibits must be tagged or labeled according to specific 4-H project rules.
- Use standard size exhibit box (18" x 24" x 3 ½") with sliding plexiglass cover.
- All specimens should be arranged across the narrow (18") dimension of the exhibit box, making the 18" across the top and 24" deep on the sides.
- Specimens should be labeled with specimen name, place of origin (county, state, or country), indicate if purchased or collected, date lapidary treatment began and completed.
- Limited to one exhibit.
- Will be judged on the following criteria: 60% workmanship and content, 30% presentation and showmanship, and 10% accuracy of information.

LAPIDARY CLASSES

Class 5300 – Lapidary - Display at least 5 varieties of polished (tumbled) specimens and 5 varieties of unpolished specimens that have not yet received lapidary treatment. These do not have to be an example of “before and after”, nor do they have to be self-collected. Locales must be identified. Only those exhibiting lapidary at the State Fair for the first time may exhibit in this class.

Class 5301 – Lapidary - Display before-and-after examples of at least 3 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. There is no requirement that the 4-H'er collect any of these. Locales must be identified. Lapidary work should be done during the current 4-H year.

Class 5302 – Lapidary - Display before-and-after examples of at least 6 varieties of specimens, with at least 2 tumble-polished and 2 unpolished of each. At least 2 varieties should be collected from the native site by the 4-H'er, at least one of which comes from Kansas. Lapidary work on at least 3 varieties should have been done during the current 4-H Year.

Class 5303 – Lapidary - Display before-and-after examples of at least 9 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least three varieties should be collected from the native site by the 4-H'er, at least two of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.

Class 5304 – Lapidary - Exhibit at least 6 specimens that have not previously been exhibited, which have received lapidary treatment. Lapidary treatment may consist of polishing, and end, face, or flat lapping. Specimens must represent at least 3 different varieties and include at least three cabochons of any size or shape, only one of which may be free formed. A cabochon is a style of cutting in which the top of the stone forms a domed or curved convex surface. Three of the specimens must be mounted into jewelry findings.

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM EACH LAPIDARY CLASS.
PREMIUMS: PURPLE \$1.75 / BLUE \$1.75 / RED \$1.50 / WHITE \$1.25

4-H HORTICULTURE AND LANDSCAPE DESIGN

HORTICULTURE AND LANDSCAPE DESIGN RULES

Learn when, where, and what to plant; learn the difference between cool and warm-season vegetables; learn plant parts and how they are used; learn how to use basic garden tools; study seed varieties and starting seeds indoors; study preventative pest controls; learn about specialty harvests and selling your produce; study plant pollinations; study food industry careers; and learn about biotechnology.

- 4-H members must be currently enrolled in the Kansas 4-H Horticulture project to exhibit in this division.
- All exhibits must be tagged or labeled according to specific 4-H project rules.
- Read general fair and 4-H regulations.
- Open to all 4-H members enrolled in the Horticulture or Foods projects.
- Entries are limited to 1 per type of vegetable, 5 total exhibits.
- All Garden exhibits must be grown by the exhibitor.
- Place entries on a firm paper plate, bowl, or cardboard box.
- Attach completed 4-H label to the plate or box. Variety should be included, in known, especially for potatoes.

NOTE: The publication “Exhibiting Fruits and Vegetables” is available at <https://www.bookstore.ksre.ksu.edu/pubs/c405.pdf>

HORTICULTURE CLASSES

Class 2500 – Garden Display: Display limited to 4 square feet of space. Display must be exhibited in a tray, basket, or container that can be easily moved. Display consists of 5 different vegetables or fruits, only 1 variety of each type. The numbers of the 5 types of vegetables are:

- 1 each of large vegetables – cabbage, cantaloupe, eggplant, large pumpkin, squash, watermelon,
- 5 each of medium vegetables – beets, carrots, cucumbers, decorative gourds, potatoes, peppers, miniature pumpkins, okra, onions, sweet potatoes, radishes, tomatoes, or other similar sized vegetables.
- 12 each of small vegetables – green snap beans, wax beans, English peas, or other similar sized vegetables.
- One half-pint box of small fruits (strawberries, blackberries, or other similar sized fruits).
- 5 each of apples, pears, peaches, or similar sized fruits.
- 2 bunches of grapes

Class 2501 – Small vegetable specimen plate (12 specimens of green beans, yellow wax beans, green onions, cherry tomatoes, or other small vegetables).

Class 2502 – Medium vegetable specimen plate (5 specimens of cucumbers, tomatoes, beets, onions, bell peppers, jalapenos, okra, parsnips, miniature pumpkin, decorative gourds, turnips, , radishes, carrots, or other medium sized vegetables).

Class 2503 – Large vegetable specimen plate (1 watermelon, summer squash, winter squash, pumpkin, eggplant, cabbage, cantaloupe, or other large sized vegetable).

Class 2504 – Fresh culinary herbs – 6 stems of one variety of fresh herbs exhibited in a disposable container of water.

Class 2505 – Small fruits in one half-pint hox (strawberries, blackberries, raspberries, or other similar sized fruits).

Class 2506 – Tree fruit plate (5 each of apples, pears, peaches, or other similar sized fruits).

Class 2507 – Grape plate (2 bunches)

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM HORTICULTURE.

PREMIUMS: PURPLE \$1.75/ BLUE \$1.50/ RED \$1.25/ WHITE \$1.00

LANDSCAPE

- All Floriculture exhibits must be grown by exhibitor, except for dried arrangements. House plans must have been cared for by the 4-H member for at least 6 months, except for terrariums.
- Classes 5600 and 5601 – limit of 3 entries per class. Classes 5602, 168, 5603, 170, 171, 172, 5604, limit of 1 entry per class. Maximum of 6 total exhibits.
- Single stem flowers should be in a small vase, or bottle with no label.
- Attach completed 4-H label to the container.
- Potted plants are not accepted for class 5600-5603.
- The publication “Preparing Cut Flowers for Exhibit” is available at <https://www.bookstore.ksre.ksu.edu/pubs/4H826.pdf>

FLORICULTURE CLASSES

Class 5600 – Annual Garden Flower, cut specimen, single stem

Class 5601 – Perennial Garden Flower, cut specimen, single stem

Class 5602 – Fresh Flower Arrangement – flower materials must be grown and/or collected by exhibitor, not purchased.

Class 5603 – Dried Flower Arrangement – flower materials must be grown and/or collected by exhibitor, not purchased.

Class 5604 – Horticulture Notebook. Entry shall consist of a notebook or three ring binder of written narrative describing a horticulture project such as landscape design, landscape installation, lawn renovation, water garden, flower garden, vegetable garden, lawn mowing service, landscape maintenance business, farmer’s market business or other horticulture project work. 4-H members are encouraged to include photographs; illustrations and/or landscape drawings that help explain work done by the member. Photos taken from the same location before, during, and after the completion of the project are particularly helpful. Exhibitor can enter one horticulture notebook. Horticulture notebook scoring is as follows:

- Organization and General Appearance (neat, includes title page and table of contents, original, creative, etc.) 20%
- Narrative (including goals, successes, failures, etc.) 40%
- General Content (subject matter, photos, maps, knowledge gained, etc.) 40%

***Class 168** – Houseplant

***Class 170** – Terrarium

***Class 171** – Cactus Garden (at least 5 different cacti arranged in a planter or container)

***Class 172** – Preserved or Artificial Arrangement

***CANNOT BE EXHIBITED AT THE KANSAS STATE FAIR**

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM FLORICULTURE.

PREMIUMS: PURPLE \$1.75/BLUE \$1.75/ RED \$1.50/ WHITE \$1.25

4-H INTERIOR DESIGN

4-H INTERIOR DESIGN RULES

4-H members must currently be enrolled in the Kansas 4-H Interior Design project to exhibit in this division.

- All exhibits must be tagged or labeled according to specific 4-H project rules.
- 4-H members can enter 1 exhibit in each of 3 classes. Exhibits must reflect the work done in the current 4-H year.
- Attach completed 4-H label to exhibit.
- A summary including plans, explanation of how the items were made or refinished and how it fits into the color and design of the room. Summary could also be project inspiration, challenges, who helped you, and any other information that could be helpful to the judge. Summary should be in a plastic protective sleeve and attached to the exhibit.
- Projects with missing or insufficient summary will be lowered one ribbon placing.
- Exhibits should be of high quality (as compared to quick, simple crafts), suitable for use in the home several months throughout the year. Holiday specific items are discouraged.

INTERIOR DESIGN CLASSES

Class 4400 – Single Exhibit – An article (furniture, fixtures, interior or exterior, etc. made or refinished/repared by the 4-Her for the home. Must include a summary.

Class 4401 – Design Board. Boards must be on a foam core or a standard tri-fold display. Include: color scheme, wall treatment, floor treatment, samples, etc. and/or floor plan for a room. Must include attached summary.

Class 4402 – Notebooks may include floor plans, swatches, colors, stories, photographs, and project records with detail what was accomplished this year with a given indication of long-term plans. Notebooks should also include project inspiration, challenges, who helped you, and any other information that could be helpful to the judge. Addition summary is not required for notebook exhibits.

Class 4403 – Marble Maze or Enclosure

Class 4404 – Marble Maze

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM EACH HOME ENVIRONMENT CLASS.

PREMIUMS: PURPLE \$1.50/BLUE \$1.50/ RED \$1.25/ WHITE \$1.00

4-H PHOTOGRAPHY

4-H PHOTOGRAPHY RULES

Tell your story through photography. This project helps capture unique and fun photos of friends, family, pets, nature, and important events in your life that you want to document. Learn how to plan, compose, light, and exhibit your photos. Learn the basics of using a smartphone or camera and advance into wide-angle and telephoto lenses, filters, light meters, and computer enhancement. Photos are judged on composition, technique, and appeal.

- 4-H members must be currently enrolled in the Kansas 4-H Photography project to exhibit in this division.
- All exhibits must be tagged or labeled according to specific 4-H project rules.
- Attach completed 4-H label to the back of the photo mounts.
- Exhibitors may enter up to 5 exhibits.
- Photographs entered must be the result of the current year's project work by the 4-H member. Photo images must be taken by the 4-H member (exhibitor).
- Photographs taken with a digital camera and having no more adjustments than exposure, color intensity or correction, one click filter effects, red eye removal, cropping, dodging and burning should be entered in the standard color or black and white classes. HDR photos are to be entered in the standard photo class.
- All photos must be no larger than 8" x 10" and no smaller than 7" x 9" after trimming.
- Appropriate photo subject matter: Photographic subject matter is expected to follow 4-H standards. For a sense of prohibited subject matter, review the Kansas 4-H member Code of Conduct; in general, if it is not allowable at a 4-H event, it is not allowable in a 4-H photograph at the State Fair.
- Photos with live subject(s) on railroad right-of-way or taken from railroad right-of-way property will not be displayed in Kansas 4-H Photography and will be DISQUALIFIED and not judged.
- Copyright protections must be observed.
- Decisions as to display and/or penalties will be made by the Photography Department Superintendent and the 4-H Specialist responsible for the photography project.
- **PHOTO MOUNTS**

- A fill coverage permanent mount (spray adhesive recommended or heat mount) must be made. (No household glues, double stick tape, etc.). Each photo is handled numerous times (up to 30) throughout the judging, sorting, and display process.
- Photos are to be mounted across the narrow (11”) dimension of an 11” x 12.5” sheet of white or cream studio matte board. Photos mounted on poster board will not be displayed. Matte boards may be purchased from your local K-State Research and Extension office.
- Photos must be mounted with the top edge of the print 1” below the top of the mount (board is always oriented narrow side up). The sides of the print must be equal distance from the two sides of the mount.
- Improperly mounted photos, oversize or undersize photos or photos with the white borders not removed or lettering (including dates) on the photo, will be awarded a ribbon one placing lower than the placing determined by the official judges.
- To protect exhibit from dust and moisture, photos must be placed in a clear flap seal bag available from the extension office. DO NOT use the adhesive strip to seal the bags. Leave unsealed or use a short piece of masking tape.
- No lettering or dates are permitted on the front of the mount or on the photo. No underlays or borders are to be used.
- On the back of the mount, write the exhibitor’s name, photo class, and the Extension Unit (county/district). If in a district, please use full district name and add county name.

PHOTOGRAPHY CLASSES

Class 4800 – Color photos taken by 4-Her with 3 years or less in the project.

Class 4801 – Color photos taken by 4-Her with more 4-7 years in the project.

Class 4802 – Color photos taken by a 4-Her with 8 or more years in the project.

Class 4803 - Black and white photos taken by a 4-H member with 3 years or less in the project. (Black and white prints only).

Class 4804 - Black and white photos taken by a 4-H member with 4-7 years in the project. (Black and white prints only).

Class 4805 - Black and white photos taken by a 4-H member with 8 or more years in the project (Black and white prints only).

Class 4806 - My Favorite 4-H Photography:

- "Display Only" Class.
- Eligible members must have enrolled in photography for 10+ years.
- Requirements are:
 - Choose 4 of your favorite photos from any of the years enrolled in photography. If photo was used previously, remove all data slips and stickers. If the photo is unmounted, mount it using 4-H requirements.
 - Develop a short biography piece:
 - Tell how/when an interest in photography began
 - Explain why each of the four photos is a favorite
 - Share the skills learned because of photography. Think beyond the camera skills and include leadership, community service, etc.
 - Tell of any mentors/leaders worked with
 - Share workshops or camps pertaining to photography you attended
 - Explain (if relevant) any plans to use photography skills beyond 4-H/high school
 - Include a small (2x3) photo of yourself at the start of the biography

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM EACH PHOTORAPHY CLASS.
PREMIUMS: PURPLE \$1.75 / BLUE \$1.75 / RED \$1.50 / WHITE \$1.25

PORTFOLIO

Class 4807- Growth Portfolio

- Member must have been enrolled in Photography Project for five years OR member must be age 15-19 and been enrolled in photography for at least two years.
- Exhibit will consist of one photo for each year of enrollment. Each photo must have been created in a different year and must be labeled with the year taken/project enrollment. A maximum of 5 photos may be included if the member has 5 or more years of enrollment. Photos are not required to be in a consecutive order. For example, a nine-year-old with three years enrollment in photography is eligible to enter a growth portfolio. The portfolio in this example should have one photo from the seven-year-olds year, one photo from the eight-year-olds year, and one photo from the nine-year-olds year. The growth portfolio class may start at any time in the member's photography career. For an older member, the growth portfolio class may start at any time in the member's photography career. For an older member, the growth portfolio would represent any five years in the project, for example, years 1, 3, 5, 7, and 9 for a member having project enrollment totaling 9 years.
- Photos must be an 8" x 10" and may be color or black and white and must be unmounted.
- An information sheet must accompany each photo giving brand and model of camera used to create the photograph setting for focal length, aperture, mode, and shutter speed must also be listed. The skills set used to create the photo must be given and fully explained. The main goal for each year should also be given. The form for this information is available on the Kansas4h.org website, is a form fillable document and is required.
- A short introduction of the photographer should be placed in the first page. This introduction should tell why the 4-H member enrolled in the Photography project and what they have continued to enroll. Exhibitor could also tell of a fun event photographed, a learning experience that taught them new skills or other related learning.
- Beginning with photo 2 (two), member describing of GROWTH in project skill must be included on information sheet.
- Exhibit will consist of introductory page, skill sheet, and photo from each year in chronological order and arranged in a portfolio book. Skill sheet will go in left hand page and unmounted photos in right hand page.

Class 4808 - Career Portfolio

- Member must have been enrolled in Photography Project for five or more years OR member must be age 15-19 and been enrolled in photography for at least two years
- Exhibit will consist of ten photos showing skill development in one of the following photography areas: Portraiture, Special Effects (not done with a computer), Landscape, Photojournalism, Black and White, Nature/Wildlife or Graphic Design (computer skills with photos.) Photos may have been created over multiple project years.
- Photos may be color except if Black and white option is chosen and must be unmounted.
- An information sheet must accompany each photo giving brand and model of camera used to create the photo. The settings for focal, length, aperture, mode, and shutter speed must also be listed.
- A one-page summary should accompany the portfolio listing the goal for pursuing this area of photography and what skills were learned while doing so. Mentors should be acknowledged. Career exploration can also be described.

- Exhibit will be presented in a notebook designed for portfolio review with pages for required information from #4 and #5.

Note: A member may enter only one portfolio each year. Portfolio must qualify at the County/District Level.

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM EACH PHOTORAPHY PORTFOLIO CLASS.

PREMIUMS: PURPLE \$1.75 / BLUE \$1.75 / RED \$1.50 / WHITE \$1.25

4-H POSTERS, BANNERS, NOTEBOOKS AND MISCELLANEOUS

4-H POSTERS, BANNERS, NOTEBOOKS AND MISCELLANEOUS

POSTERS

- Posters should be 4-H related and standard 22” x 28” size.
- Limit of 3 posters from overall classes.
- Attach completed 4-H label to back of poster.
- Educational posters for the following projects should be entered in that project division so they will be eligible for state fair competition: clothing, food, shooting sports, wildlife, forestry, STEM, and home environment.

4-H exhibitors should avoid using copyrighted and/or trade-marked materials whenever possible. Using these materials for endorsement or promotional instead of educational purposes will be disqualified, will not be displayed, and ribbons/premiums will not be awarded.

POSTER CLASSES

***Class 260** – Educational Poster

***Class 261** – Poster from talk/demo

***CANNOT BE EXHIBITED AT THE KANSAS STATE FAIR**

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM POSTERS

PREMIUMS: PURPLE \$1.50 / BLUE \$1.50 / RED \$1.25 / WHITE \$1.00

CLUB BANNER

- Each banner should illustrate a phase of 4-H work which is being practiced in 4-H or promote 4-H generally.
- 2 Dimensions are to be no less than 12 and no more than 16 square feet, with no side less than 3 feet.
- The use of copyrighted or trademarked materials for educational purposes should be avoided. The use of these materials for endorsement or promotion will result in disqualification.
- Banners must be hung on a wooden dowel rod. Attached to each end of the dowel there must be a 6” long chain with an “S” hook on the end to hang the banner. S hooks must be tightly secured to the chain.
- Banners will be judged by the following criteria:

SCORE CARD

Educational value - 15%
Interest and Originality – 40%
Appearance – 40%
Quality of Display Material – 5%
Total points possible = 100%

- Banners must be made of materials that permit the banner to be folded or rolled without damaging the display. Three dimensional objects may not be attached to the banner. Use of three-dimensional objects will result in the lowering by one ribbon placement and may not go on to the state fair.

CLUB BANNER CLASSES

***Class 420** – Banner by local club.

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM CLUB BANNERS
PREMIUMS: PURPLE \$15.00 / BLUE \$15.00 / RED \$10.00 / WHITE \$5.00

NOTEBOOKS

- 4-H members must be currently enrolled in the Kansas 4-H project to exhibit in this division.
- All exhibits must be tagged or labeled according to specific 4-H project rules.
- Notebooks for the following projects should be entered in that project division so they will be eligible for state fair competition: food, horticulture, home environment, robotics, wildlife, forestry, fiber arts, and STEM.

NOTEBOOK CLASSES

- *Class 250** – 4-H Club Secretary’s Book
- *Class 251** – 4-H Club Reporter’s Book
- *Class 252** – 4-H Club Historian’s Book
- *Class 253** – 4-H Member’s Memory Book/Scrapbook
- *Class 254** – 4-H Project Notebook

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM NOTEBOOKS.
PREMIUMS: PURPLE: \$1.50/BLUE \$1.50/RED \$1.25/WHITE \$1.00

MISCELLANEOUS

- This is for exhibits with no department or class.

MISCELLANEOUS CLASSES

- *Class 529** – Display
- *Class 270a** – Legos – non-STEM
- *CANNOT BE EXHIBITED AT THE KANSAS STATE FAIR**

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM MISCELLANEOUS CLASSES
PREMIUMS: PURPLE \$1.50 / BLUE \$1.50 / RED \$1.25 / WHITE \$1.00

4-H ROBOTICS

4-H ROBOTICS RULES

The Kansas 4-H Robotics program is designed to allow 4-H members to explore robotics through robots of various designs.

- 4-H members must be currently enrolled in the Kansas 4-H Robotics project to exhibit in this division.
- All exhibits must be tagged or labeled according to specific 4-H project rules.
- Exhibitor may enter 2 robots. Robot must have been constructed during the current 4-H year.
- Each robot must be free-standing without an additional supports in order to be moved or exhibited. Each exhibit must include a robot, information packets are not a sufficient exhibit.
- Robots must have automated articulated structures (arms, wheels, grippers, etc.). Game consoles that display on a screen are not considered robots and should either be entered in computer science system division energy management project. Robots requiring no assembly, just programming, such as Ozobots, are considered computer systems projects as the skill is focused on the programming not on the construction of the robot.
- The robot dimensions must be no larger than 2 feet wide by 2 feet deep by 2 feet high. Weight may not exceed 15 pounds. If displayed in a case (not required for the state fair, but strongly encouraged for county fairs) the outside case dimensions may not be more than 26 inches in height, width, or depth.
- Materials including but not limited to obstacles, spare batteries, and mats for testing the robot may be placed in a separate container, which is not included in the robot's dimensions, that container may not be larger than 576 cubic inches as measured along the outside of the container. (Examples: 4"x4"x36" or 4"x8"x18" or 6"x6"x16"). The container, if used, and/or any large objects (such as mats or obstacles) should be labeled with the exhibitor's name(s) and county or district as they will be stored separately from the exhibit.
- All electronic components of the robot must be covered or concealed with a protective enclosure (paper coverings are NOT acceptable).
- Robot may be powered by an electrical, batter, water, air, or solar source only. Junk drawer robots may be powered by a non-traditional power source. Robots powered by fossil fuels/flammable liquids will be disqualified. Robots that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electrical that could be used to inflict damage and/or harm to individuals, animal life, and/or property.
- **Remote controlled robots** are allowed under certain conditions provided that the robot is not drivable. Robots programmed on phones/tablets need to have a specific program created, using motion controls to move the robot are not acceptable, for example "press forward on the screen to make the robot go forward." Robotic arms (hydraulic or electric) are allowed. A remote is allowed, provided more than a single action happens when a single button is pressed on the remote, for example "a motor spins for 3 seconds, at which point an actuator is triggered, then the motor spins for 3 more seconds." Remote controlled cars, boats, planes, and/or action figures, etc., are not allowed.
- Each robot must be in working condition. The judges will operate each robot to evaluate its workmanship and its ability to complete its intended task. In the event the robot uses a phone, tablet, or similar device for programming AND control of the robot, a video will be used to evaluate the working condition of the robot. It should follow the instructions provided for operation so that the judge can follow along with the provided instructions. For county fairs,

where consultation judging is used, the video requirement should be waived in favor of actual operation of the robot.

- Each exhibitor is required to complete the “4-H Robotics Exhibit Information Form” which is available through your local K-State Research and Extension office or at <https://robotics.engtech.4ks.com/>
- This form must be attached to the outside of a 10” x 13” manila envelope. All revisions of all forms previously released for the STEM division either undated or dated prior to current year, are void for use and new forms must be obtained and used that are dated by the State 4-H Office for the current year. Use of old forms should result in the loss of one ribbon placing for exhibits.
- The exhibit must include written instructions for operation (the instructions should be written as if they were to tell a grandparent or elderly person how to operate the robot), construction plans, a video, and one to five pages of project photographs. For robots that can be programmed, robot programming information must be included. This information should be placed inside the 10” x 13” manila envelope mentioned above. Robot programming information can be, but not limited to, source code, block diagrams, screen captures of the coding window, and other images that show the programming logic used. The exhibitor may enter their robot listed under the electric and renewable energy project is the exhibitor so chooses.
- In the event that the robot uses a device like a phone, iPad, or tablet for programming AND operation, DO NOT include the device (phone, table, etc.). The device’s safety cannot be insured. Instead recording a video demonstrating the instructions included for your robot. It should show, setting up the robot, starting the robot, the robot executing its task, and powering off the robot, just like the instructions are written.
- **FOR THE STATE FAIR**, the 4-H member must include a video following their instructions for operation.
 - Videos with an accompanying release form signed by the exhibitor’s parent or guardian may be displayed at the State Fair in the Engineering and Technology exhibit areas.
 - The video must not be more than 8 minutes long and should be included on the USB drive.
- **FOR COUNTY FAIRS** with consultation judging, it is recommended that the video elements be waived in favor of talking with the exhibitor.
- Exhibitors name(s) and county or district must be tagged or labeled in a prominent location on the robot, such as on the bottom of the robot, exhibit cards are not an acceptable form of labeling.
- There are no county or district boundaries that must be adhered to in order to form a Kansas 4-H STEM Robotics team. However, as mentioned in #1, each team member must be currently enrolled in the Kansas 4-H Engineering and Technology project.

ROBOTICS CLASSES

Beginner (ages 7 to 8 years)

***Class 5509A** – Robot made from a commercial (purchased) kit. (No programming, just assembly)

***Class 5510A** – Robot designed by exhibitor

***Class 5511A** – Programmable robot made from a commercial (purchased) kit.

Intermediate (ages 9 to 13 years)

Class 5509 – Robot made from a commercial (purchased) kit. (No programming, just assembly)

Class 5510 – Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.

Class 5511 – Programmable robot made from a commercial (purchased) kit.

Class 5546 – Robot designed and constructed by exhibitor or from a commercial kit, that is operated by a remoted controlled device.

Class 5544 – Junk Drawer Robots

Senior (ages 14 years and older)

Class 5513 – Robot made from a commercial (purchased) kit. (No programming, just assembly)

Class 5514 – Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.

Class 5515 – Programmable robot made from a commercial (purchased) kit.

Class 5547 – Robot designed and constructed by exhibitor or from a commercial kit, that is operated by a remoted controlled device.

Class 5545 – Junk Drawer Robotics

Team Division Robotics Project

Class 5517 – Team Robots designed and constructed by two or more 4-H STEM project members. The robot must not be a mere modification of an existing robot kit or plan. The robot may be a programmable type that is made from a commercial (purchased) kit. This division is designed to encourage teamwork and cooperation among fellow 4-H STEM members. As with many high-tech projects today, no one person designs and builds a robot alone. It takes the brainstorming, planning, problem solving, and cooperation of an entire team to complete a given robotics project.

***CANNOT BE EXHIBITED AT THE KANSAS STATE FAIR**

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM INTERMEDIATE, SENIOR, AND TEAM ROBOTICS

PREMIUMS: PURPLE \$1.50/BLUE \$1.50/RED \$1.25/WHITE \$1.00

4-H SEWING AND TEXTILE DESIGN

4-H SEWING AND TEXTILE DESIGN RULES

This project will teach you the basics, such as sewing a pillowcase or shirt, learning different stitches of putting in a zipper. Learn to create and sew your own clothing and accessories while exploring the world of a fashion and how to take the design of your choice and customize it for the perfect look, color and fit.

- 4-H members must be currently enrolled in the Kansas 4-H Sewing and Textile Design project to exhibit in this division.
- All exhibits must be tagged or labeled according to specific 4-H project rules.
- Place entry form and score card on front left shoulder seam of garment or to the left side of waistband with hanger opening facing to the left, as if you were wearing the garment, so that the hanger opening faces the attached entry form.
- 4-H members may exhibit as many items as they wish. All entries are to be the product of the current years' work.
- All entries will be judged at the pre-fair clothing and style revue judging.
- Identification labels (sew or use a safety pin, no straight pins may be used to attach these items).
- Type or print on a 3" x 2 ½" piece of cloth: Class number, county or district, name.
- Attach labels on inside of garment (back of neck, center back of waistband, or left end of apron band). Label each piece.

- Pre-cut kits are acceptable for all clothing classes. All articles/garments must be finished for use.
- To receive premiums, constructed items must be exhibited at the Tri-County Fair. Items to be brought to the 4-H building Tuesday from 4:00 to 8:00 p.m. Clothing exhibits must be hung on a hanger with hook to the right shoulder of the garment.
- Clothing is to be attached to the hanger with safety pins and covered with a clear plastic bag to protect the clothing while on display. Non-clothing textile items are to be protected with clean plastic covering or bag. Please attach the ribbon received to the garment or on the hanger.
- Constructed items may be used before they are exhibited but must be laundered or cleaned before being exhibited.

SEWING AND TEXTILE DESIGN CLASSES

***Class 370** – An article, garment, or outfit constructed by a Beginner (ages 7 to 8)

Class 4000 – An article, garment, or outfit constructed by a Junior (ages 9 to 11)

Class 4002 – An article, garment, or outfit constructed by an Intermediate (ages 12 to 14)

Class 4004 – An article, garment, or outfit constructed by a Senior (ages 15 years and older)

Class 4006 – Recycled Clothing Exhibit. An item made of at least 50% recycled materials (recycled means reusing an existing item in a new way). Could be remaking/remodeling a garment, repurposing a clothing item for a new use, etc. Must include sewing of some kind. An index card (no larger than 4" x 6") MUST accompany entry describing the recycled materials and how they were used in the item.

***CANNOT BE EXHIBITED AT THE KANSAS STATE FAIR**

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM EACH CONSTRUCTED CLOTHING CLASS.

PREMIUMS: PURPLE \$1.75/BLUE \$1.75/RED \$1.50/WHITE \$1.25

EDUCATION CLOTHING EXHIBIT

- 4-H members may exhibit 1 item per class. Entry is to be the product of the current year's 4-H project work. Attach completed 4-H label to exhibit.
- Share with others what you have learned in the sewing and textile project. Exhibits may be in the form of a poster, notebook, or display. Follow copyright laws as explained in the General Rules as you are preparing your exhibit. Take care to select durable materials that will withstand State Fair conditions. No card table displays are allowed. If the exhibit is a poster, it must not be larger than 22" x 28". If the exhibit is a display, maximum size is not to exceed a standard commercial. 3' x 4' tri-fold display board. Name and county/district must be clearly marked on educational exhibits.
- Bring to clothing judging.

EDUCATION CLOTHING EXHIBIT CLASSES

***Class 377** – Educational Exhibit prepared by an exhibitor: Beginner (ages 7 to 8) (Construction or Buymanship)

Class 4001 – Educational Exhibit prepared by an exhibitor: Junior (ages 9 to 11) (Construction or Buymanship)

Class 4003 – Educational Exhibit prepared by an exhibitor: Intermediate (ages 12 to 14) (Construction or Buymanship)

Class 4005 – Education Exhibit prepared by an exhibitor: Senior (ages 14 and older) (Construction or Buymanship)

***CANNOT BE EXHIBITED AT THE KANSAS STATE FAIR**

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM EACH CONSTRUCTED CLOTHING CLASS.

PREMIUMS: PURPLE \$1.75/BLUE \$1.75/RED \$1.50/WHITE \$1.25

4-H SHOOTING SPORTS

4-H SHOOTING SPORTS RULES

The Shooting Sports project helps youth thrive and develop life skills while teaching shooting safety, care, and safety of shooting sports equipment, hunting practices, and provides an opportunity to test your skills. The fair classes are designed to provide an opportunity for youth to educate others about what they have learned through the project or to promote the benefits of participation.

- 4-H members must be currently enrolled in the Kansas 4-H Shooting Sports project to exhibit in this division.
- All exhibits must be tagged or labeled according to specific 4-H project rules.
- Exhibits in this division are open to educational displays, or promotional posters, or experiential displays. Follow copyright laws as explained in the General Rules as you are preparing your exhibit. Take care to select durable materials to withstand State Fair condition.
- The exhibit size rule will be strictly enforced. Exhibits exceeding the size guidelines will be penalized one ribbon color.
- Educational Display: must be the standard tri-fold board ONLY, must not exceed standard tri-fold: 3' x 4' unless there is a topper that sits on top of the board and does not take up additional table space; no additional table space available for promotional brochures or display items; content not to exceed display board borders.
- Promotional Posters: must be flat and no larger than 22" x 30"; content not to exceed display board borders. Exhibits may be displayed on wall.
- Notebooks: no larger than 8 ½" x 11". Exhibitors must comply with state and federal laws and Kansas State Fair Management.
- No "live" ammunition containing propellant or explosive powders may be used. An inert substitution must be used in any display. An inert substitution must be used in lieu of powder and "live" ammunition, the substitution must be clearly described on the back of the poster, display, or in a notebook.
- Name, county or district, age and year in project should be on the front of the poster, display, or notebook unless special arrangements are made because of declination of publicity release.
- Exhibit topics regarding firearm care, handling, and shooting will only be accepted from Extension Units with 4-H Certified Shooting Sports Programs.
- Exhibits will not be accepted if they are related to reloads.

SHOOTING SPORTS CLASSES

Class 6200 – Educational Display; must be directly related to the shooting sports project. Must use a standard commercial 3' x 4' tri-fold display board. No additional table space available for promotional brochures or display items; content not to exceed display board borders. Failure to follow size limitations will penalize entry one ribbon color.

Class 6201 – Promotional Poster; must promote 4-H Shooting Sports. Flat posters no larger than 22" x 30". Content is not to exceed display board borders. Failure to follow size limitations will penalize entry one ribbon color.

Class 6202 – Notebook; contents pertain to some phase, results, story, or information about 4-H Shooting Sports; no larger than an 8 ½ x 11.

6203 Shooting Aid or Accessory - (SF253) - Any item the 4-Her makes which helps the shooter/hunter better perform their sport, examples: rifle sling, kneeling roll, arm guard, shotgun vest, target boxes, shooting stick, etc. Include your design, or plans you adapted, what the item is and used for.

6204 Storage Case - (SF254) - Any item the 4-Her makes with the purpose to safely hold a firearm, bow, ammunition, and/or arrows. Examples: soft sided shotgun case, quivers, firearm safe, include your design, or plans you adapted. Explain how the storage case is used.

6205 Practice Game or Activity - (SF255) - Invent or adapt an activity to practice or teach a project skill. Include pictures of youth playing the game, testimonials of 4-H members who played the game, what skill is being worked on, and directions for the game. Explain how you came up with the game or adapted it to fit the needs of your group members.

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM SHOOTING SPORTS.
PREMIUMS: PURPLE \$1.50 / BLUE \$1.50 / RED \$1.25 / WHITE \$1.00

4-H SMALL ENGINES

4-H SMALL ENGINE RULES

Through Small Engines, you will have the opportunity to educate others about what youth have learned through the project or promote the benefits of participation in those project areas. All exhibits should involve engines smaller than 20 horsepower. Engine should contain no fuel in tank or carburetor.

- 4-H members must be currently enrolled in the Kansas 4-H Small Engines project to exhibit in this division.
- All exhibits must be tagged or labeled according to specific 4-H project rules.
- All exhibits should involve engines smaller than 20 horsepower for classes 4610-4612. Engine should contain no fuel no fuel in tank or carburetor. Displays are limited to 4' wide and 4' deep – both upright and floor displays.
- Items that have been in use should be cleaned for exhibit.
- A sheet of operating instructions must be furnished for any exhibit not self-explanatory.

SMALL ENGINE CLASSES

All exhibits should involve engines smaller than 20 horsepower for classes 4610-4612.

Engine should contain no fuel in tank or carburetor. Displays are limited to 4' wide and 4' deep – both upright and floor displays.

Class 4610 – Educational Display – Exhibit a display selecting one of the following options: A). a display identifying OR showing the function of different engine or lawn and garden equipment parts; B). a display identifying and explaining the functions of different special tools for small engine work; or C). a display illustrating and providing the results of any one of experiments that are included in the project book. No complete engines, lawn tractors, tillers, chainsaws, etc. are permitted.

Class 4611 – Maintenance Display – Display that illustrated either routine maintenance procedures or diagnosing and troubleshooting specific problems in an engine. No complete engines, lawn tractors, tillers, chainsaws, etc. are permitted for display.

Class 4612 – Operation Exhibit – Exhibit an operable small engine (no more than 20 horsepower) overhauled or rebuilt by the 4-H member. Include maintenance schedule for the engine and a brief description of steps taken by the member overhauling or rebuilding the engine.

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM SMALL ENGINES.
PREMIUMS: PURPLE \$1.50/BLUE \$1.50/RED \$1.25/WHITE \$1.00

4-H UNCREWED AIRCRAFT SYSTEMS

4-H UNCREWED AIRCRAFT SYSTEMS RULES

The 4-H uncrewed aerial system or UAS project explores the world from above the trees and discovers new frontiers with UASs. UASs are commonly known as Uncrewed Aerial Vehicles (UAVs) or drones. Members explore the uses and applications of uncrewed aerial system including how UASs link to other projects such as geology, robotics, electronics, crop science, and many more.

- 4-H members must be currently enrolled in the Kansas 4-H Uncrewed Aircraft Systems project to exhibit in this division.
- Exhibitor’s name, county or district, age and year(s) in project must be tagged or labeled in a prominent location on the exhibit, educational display, notebook, and/or poster.
- Each exhibitor may enter one exhibit per class. Exhibits must have been completed during the current 4-H year.
- The information that accompanies the UAS must be limited to the 4-H exhibit Information Form which is affixed to a 10”x13” envelope. This envelope should NOT be attached to the UAS. This may be downloaded from <https://uas/engtech4ks.com/> Any UAS exhibit not including this completed envelope will receive an automatic participant ribbon. All revisions of forms previously released for the division dated prior to current year are void for use and new forms must be obtained and used that are dated by the Kansas State 4-H Office for the current year.
- Each exhibit MUST include a video of the youth following their instructions for operation. This allows judges to get a better understanding of the exhibit and allows the youth the opportunity to fully demonstrate their exhibit. The video should be no longer than 8 minutes and should be placed on a USB drive or micro/SD card or, if desired, uploaded to YouTube as an unlisted video and a link to that video included in a file titled “Video Link” or printed on a separate sheet of paper. These videos may also be considered for inclusion in running video loop in the Engineering and Technology area at the State Fair.
- Uncrewed Aerial Systems that include or depict weaponry of any kind will be disqualified.
- For scratch built UAS kits, if modifications are made to the exhibit, a page should be attached noting these modifications.
- If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor’s exhibit, at the judges’ discretion, will receive a participation ribbon.
- For practical application entries, the UAS is not required to be displayed as part of the exhibit, only the supporting material.
- The same UAS may be used by multiple exhibitors for different practical application entries.

UNCREWED AIRCRAFT SYSTEMS CLASSES

Junior Division (ages 7 to 13)

Class 5701 – Uncrewed Aerial System designed and constructed by exhibitor that is operated by a remote-controlled device. The UAS must not be a mere modification of an existing kit or plan. You may not exhibit a UAS that is purchased off the shelf in this class.

Class 5702 – Practical application of an Uncrewed Aerial System constructed from a commercial (purchased) kit. This includes one or more of the following: video, notebook, poster, display board, etc. This class is separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, and bindweed in fields, etc. There are also many other non-agricultural UAS uses that would be appropriate for this class.

Senior Division (age 14 and older)

Class 5706 – Uncrewed Aerial Systems designed and constructed by exhibitor that is operated by a remote-controlled device. The UAS must not be a mere modification of an existing kit or plan. You may not exhibit a UAS that is purchased off the shelf in this class.

Class 5707 – Practical application of an Unmanned Aerial System constructed from a commercial (purchased) kit. This includes one or more of the following: video, notebook, poster, display board, etc. This class is separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, and bindweed in fields, etc. There are also many other non-agricultural UAS uses that would be appropriate for this class.

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM EACH UAS AGE
PREMIUMS: PURPLE \$1.50/BLUE \$1.50/RED \$1.25/WHITE \$1.00

4-H VETERINARY SCIENCES

4-H VETERINARY SCIENCE RULES

The purpose of the 4-H Veterinary Science project is to provide a way for young people who care for animals and may want to follow a career in veterinary medicine to explore the topic. In this project, members will learn about animal health, behavior, and visit with veterinarians. 4-H members in the Veterinary Science project may develop an exhibit to demonstrate the knowledge and skills learned about a common health problem in animals, a veterinary science principle, or public health/zoonotic diseases.

- 4-H members must be currently enrolled in the Kansas 4-H Veterinary Science project to exhibit in this division.
- All exhibits must be tagged or labeled according to specific 4-H project rules.
- A Veterinary Science exhibit may consist of a poster, notebook, or project display. The exhibit may represent material from any of the Veterinary Science projects including entry level exhibits from Unit 1.
- If photographs are to be part of the exhibit, remember that they will be viewed by the public. Make sure that the photographs are in good taste and will not be offensive to anyone. Graphic photographs of excessive bleeding, trauma, or painful procedures are not appropriate. For exhibits related to veterinary surgical procedures, aseptic techniques need to be shown, for example, use of drapes, use of sterile procedures, wearing of gloves, and other appropriate veterinary medical practices.
- First-Aid Kits: Because of public safety concerns and risk of theft of first-aid kit contents (veterinary drugs/equipment) with perceived potential for drug abuse, animal first aid kits.

VETERINARY SCIENCE CLASSES

Class 7000 – 4-H Veterinary Science Notebook

Class 7001 – 4-H Veterinary Science Poster

Class 7002 – 4-H Veterinary Science Project Display

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM VETERINARY SCIENCE.

PREMIUMS: PURPLE \$1.50 / BLUE \$1.50 / RED \$1.25 / WHITE \$1.00

4-H VISUAL ARTS

4-H VISUAL ARTS

Visual Arts project teaches artistic skills and the elements and principles of design. 4-H members explore technique, study art history, culture, and discover their talents. Be creative, draw, paint, and work with different mediums. There are five classes that are judged at the Kansas State Fair: Fine Arts, Clay and Ceramics, Leather, and Jewelry, Three Dimensional, and General Crafts.

- 4-H members must be currently enrolled in the Kansas 4-H Visual Arts project to exhibit in this division.
- Attach completed 4-H label to all exhibits. **Hanging exhibits must have a wire or saw tooth hanger attached in order to be properly displayed.** Fine arts exhibits MUST have proper hangers and will be lowered by one ribbon placing if rule is not followed.
- 4-H members may enter up to 6 exhibits per project area they are enrolled in.
- All visual arts exhibits are evaluated using a visual arts rubric, which takes into account correct use of design elements, craftsmanship, and creativity.

VISUAL ARTS CLASSES

Fine Arts

- Oil, chalk, charcoal, dyes, pastels, pencil, ink, acrylic, or watercolor on canvas, canvas board, paper, wood, metal, or textiles, framed as a picture, prepared for hanging.
- Stretched canvas art on a wooden frame is considered prepared for hanging provided that frame has a hanger.

Class 400B – Fine Arts Junior (ages 7 to 9)

Class 400C – Fine Arts Intermediate (ages 10 to 13)

Class 400D – Fine Arts Senior (ages 14 and older)

Clay and Ceramics

- Any original item made of clay; may be fired or unfired, hand formed, or thrown on a wheel. Self-hardening, fire/oven-cured, and/or cornstarch clays are acceptable. Items can include, but are not limited to, clay statues, bowls, etc.

Class 401B – Clay and Ceramics Junior (ages 7 to 9)

Class 401C – Clay and Ceramics Intermediate (ages 10 to 13)

Class 401D – Clay and Ceramics Senior (ages 14 and older)

General Crafts

- This category incorporates miscellaneous pieces that do not correspond to the four, above-mentioned categories.

- Class 402B** – Crafts Junior (ages 7 to 9)
- Class 402C** – Crafts Intermediate (ages 12 to 13)
- Class 402D** – Crafts Senior (ages 14 and older)

Leather and Jewelry

- Any leather stamping, carving, tooling, lacing, or stitching piece or any jewelry piece made from any medium are acceptable exhibits.

- Class 403B** – Leather and Jewelry Junior (ages 7 to 9)
- Class 403C** – Leather and Jewelry Intermediate (ages 10 to 13)
- Class 403D** – Leather and Jewelry Senior (ages 14 and older)

Three-Dimensional

- The piece must be observable on at least three sides and should be either free-standing or prepared to be hung. Craft and pre-formed or assembled projects are not acceptable.

- Class 404B** – Three-Dimensional Junior (ages 7 to 9)
- Class 404C** – Three-Dimensional Intermediate (ages 10 to 13)
- Class 404D** – Three-Dimensional Senior (ages 14 and older)

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM FINE ARTS, CLAY AND CERAMICS, GENERAL CRAFTS, LEATHER AND JEWELRY, THREE-DIMENSIONAL. THE GRAND CHAMPIONS WILL BE STATE QUALIFIERS AND MUST ADHERE TO STATE FAIR RULES (I.E.: COPYRIGHT, 9+ YEARS OF AGE). JUDGE MAY SELECT ONE HONORABLE MENTION FROM EACH CLASS.

PREMIUMS: PURPLE \$1.50/BLUE \$1.50/RED \$1.25/WHITE \$1.00

4-H WILDLIFE

4-H WILDLIFE RULES

This project is for all youth, whether living in the city, the country, or in between. Wildlife are an important part of our state heritage and environment, ranging from birds to bison to fish to deer and more. In this project, you will learn about wildlife behavior, habitat requirements, how wildlife species fit into nature's scheme, how they are managed, and how they relate to humans.

- 4-H members must be currently enrolled in the Kansas 4-H Wildlife project to exhibit in this division.
- All exhibits must be tagged or labeled according to specific 4-H project rules.
- Posters must be no larger than 22"x28". Displays must be on a commercial standard 3'x4' tri-fold display board.
- Name, county, age, and year in project should be in a prominent location on the exhibit.
- Care should be taken to select durable materials that will withstand fair conditions.
- Exhibitors must comply with State and Federal laws. It is illegal to possess threatened or endangered wildlife, or the feathers, nests, or eggs of non-game birds. Game birds and game animals taken legally during an open season may be used. The use of live wild animals in educational exhibits is prohibited.

WILDLIFE CLASSES

Class 5400 – Notebook: contents pertain to some phase, results, story, or information about wildlife project.

Class 5401 – Promotional Poster: must be related to something learned in the wildlife project. (Flat poster board or foam board no longer than 22”x28”).

Class 5402 – Educational Display: must be directly related to the wildlife project. Maximum tri-fold size is 3’x4’.

Class 5403 – Fish Harvesting Equipment – (SF168) – board exhibit. Display of equipment used in fish harvesting. Examples: fishing knots, hooks (with corks over ends for safety), lures. Label all items displayed. Include in your exhibit the following information: the purpose of each item, when or where each item is used.

Class 5404 – Build a Fishing Rod – (SF 169) – A fishing rod educational exhibit may not exceed 96 inches in length. Exhibit must be mounted on a board. Include with the exhibits : explanation of cost of materials/components and how many number of hours required for construction. Label all parts. Necessary components which must be included are grip, line guides (based on manufactures specifications), guide wraps, and hook keeper. Reel seat needs to be aligned with the guides, and guides aligned accurately down rod. Guide wraps of size A to D, nylon or silk thread. Exhibit will be judged on workmanship, labeling of parts, information, and neatness.

Class 5405 – Casting Target – (SF170) – Make a casting target for exhibit and use.

Class 5406 – Wildlife Harvesting Equipment – (SF171) – Board Exhibit. Display of equipment used in harvesting wildlife. Examples: expanded ammunition casings (no live ammunition permitted), steel traps, hide stretchers, fleshers, etc. For displays of shotguns, rifles, or bows, use drawings or pictures. Label all items displayed; the purpose of each item, when or where it is used and personal experiences with the item.

Class 5407 – Inventing Wildlife/Fish Harvesting Equipment, Aid, or Accessory – (SF168) – Use engineering principles to invent or adapt equipment that helps you harvest fish or wildlife. This could include wildlife calls, adapted fishing pole for shallow water, a blind, decoys, etc. Share your drawing (or adapted plans), how the equipment works, how you tested it, and the results of testing your prototype, and any adjustments you made.

Class 5408 – Tanned Hides – (SF172) – Exhibit of a wild animal hide properly processed by the member. If not mounted, must be in a clear clothing bag with hanger. A

Class 5409 – Taxidermy – (SF172) – Any legal fish, bird, or other wild animal properly processed by the member. No requirement as to mounting. Include the animal’s name and the following: information about the exhibitor’s personal field experiences, study, OR observations that relate to the exhibit.

Class 5410 – Wildlife Tracks - (SF 158) – Board or diorama-type box exhibit. Make a display of animal tracks using plaster-of-paris casts. There are 3 options. For all options, include a brief description of your experiences in making the tracks so the judges better understand what you did and learned. Positive casts (impressions as they would be in nature) are preferred. Option 1 should show plaster-of-paris tracks of five or more kinds of wildlife along with a picture or illustration of each kind of animal. OR Option 2 should show two or more plaster-of-paris tracks of one specific kind of wildlife and should include a picture or illustration of the animal, what the animal may eat, and what may eat the animal. OR Option 3 should show two tracks and include the animal’s habitat needs including preferred food, shelter, water, and space in addition to picture or illustration of the animal.

Class 5411 – Wildlife Knowledge Check – (SF159) – Use electrical circuits, pictures, or other methods of teaching wildlife identification or other wildlife conservation or shooting sports related knowledge. Plan size and shape to fit transportation and display; maximum size 24x24 inches.

Class 5412 – Houses – (SF165) – Make a house for wildlife. Examples: bird house (bluebird, purple martin, wood duck, kestrel, barn owl, etc.) or bat house; no insect houses. Make the house functional so that dimensions, hole size, etc., are appropriate to fit the intended species’ need. Include the

following information: 1). The kinds of animal(s) for which the house is intended. 2). Where and how the house should be located for best use. 3). Any seasonal maintenance needed, and 4). Any evidence of your personal observations from experiences.

Class 5413 – Feeders/Waterers – (SF166) – Make a bird bath or feeder. Examples: seed, suet, or nectar feeders. Squirrel feeder is okay, no insect feeders. Include the following information: 1). The kinds of animal(s) for which the water/feeder is intended. 2). Where and how the water/feeder should be located for best use. 3). Any seasonal maintenance needed, and 4). Any evidence of your personal observations or experiences.

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM WILDLIFE
PREMIUMS: PURPLE \$1.50/BLUE \$1.50/RED \$1.25/WHITE \$1.00

4-H WOODWORKING

4-H WOODWORKING RULES

The Woodworking project allows youth to exhibit a wide variety of items made working with wood and using tools. You will learn to create and read plans to build projects for the farm, shop, household, or other areas.

- 4-H members must be currently enrolled in the Kansas 4-H Woodworking project to exhibit in this division.
- All exhibits must be tagged or labeled according to specific 4-H project rules.
- Limited to 3 exhibits in each class and not more than 4 total exhibits in wood science. (Exception: in addition to 4 exhibits, members may exhibit up to one of each common joints listed in class 180).
- Exhibits may be made in school, if planned and developed with a 4-H project in mind.
- The plan from which it was constructed must be with the article exhibited. The plan may be a photocopy, the actual pattern, or a scale drawing. It must be complete and accurate to the extent that a duplicate article could be built using the plan as a guide. Please note: a set of step-by-step instructions is not a plan.
- Projects with missing or insufficient plans will be lowered one ribbon placing (i.e. a blue-ribbon exhibit will receive a red ribbon).
- The use of materials other than wood should be kept to a minimum.
- Projects that have unsecured glass, i.e. glass shelves, glass top of a coffee table, etc., should not be brought to the fair. Glass that is secured in the project, i.e. glass front of a gun case or cabinet, etc., is permissible since it cannot be easily removed.
- The entry card, plans, and all other paperwork should be enclosed in a zip top plastic bag with a hole punches through it and tied or otherwise secured to the project in some manner. Tape is usually not adequate to accomplish this.
- Refinished/repared furniture should be exhibited in Home Environment Class 4400 – Single Exhibit.
- Projects made from pre-cut kits are not allowed.
- In judging woodwork articles, consideration will be given to: Workmanship, including accuracy to the plan; Design; Choice of wood; Suitability and quality of finish; and Usefulness.

WOODWORKING CLASSES

Class 180 – Common joint, unfinished, made from scrap labor

Class 4700 – Article for farm or shop use

Class 4701 – Furniture for household or lawn use

Class 4702 – Other woodwork

Class 403C – Leather and Jewelry Intermediate (ages 12 to 13)

Class 403D – Leather and Jewelry Senior (ages 14 and older)

JUDGE MAY SELECT 1 CHAMPION AND 1 RESERVE CHAMPION FROM WOODWORKING

PREMIUMS: PURPLE \$1.75/BLUE \$1.75/RED \$1.50/WHITE \$1.25

OPEN CLASS

General Rules

1. All entrants must be current residents of the State of Kansas.
2. Classes are open to all ages.
3. No exhibitor may enter more than one item in any one class, with the exception of photography.
4. Entries must be the product of one individual, rather than a group, club, or family.
5. All entries must be made and checked in by 11:00 a.m. on Thursday.
6. All entries must be accompanied by an official open class entry tag, available at the fair office or from the division superintendent on fair day.
7. Exhibits will be judged by 4-H judges, using 4-H standards.
8. A maximum of three price ribbons, first, second, and third, will be awarded in each class. Ribbons will be awarded at the judge's discretion. Those not earning a first, second, or third place ribbon will receive a participation ribbon.
9. All food entries will be sold with 4-H entries following judging.
10. All clothing, quilts, knitting, and crocheting should be entered in clear plastic bags for protection.
11. Exhibitors should follow 4-H guidelines and rules listed with each class.
12. With the exception of foods, all entries will be displayed during the fair and released with 4-H entries after 3:00 p.m. on Saturday. Entries should be picked up by exhibitors or their representatives by 4:00 p.m.
13. The fair association assumes no responsibility for loss or damage to items exhibited at the fair.
14. Items in parenthesis listed after class description is the size or number of items to be provided to be judged.
15. Premium money or prizes are not awarded.
